

## 'No. 1 Speaker' to Address Chamber Banquet on Oct. 28

"America's No. 1 public speaker," Dr. Kenneth McFarland, will address the annual dinner meeting of the Chamber of Commerce of the Tri-Cities Tuesday evening, Oct. 28, at the SIU-SW University Center Meridian Hall.

The banquet, attended by Chamber members, wives and guests, will include the installation of President Albert de Froemling and other 1969-70 officers. Clifton E. Blankenship, outgoing president, will report on Chamber activities and Froemling will discuss future plans.

Dr. McFarland is guest lecturer and consultant to several major corporations and is educational consultant for the American Trucking Association.

He received a "golden plate" award designating him as the top speaker in the U. S. at the "Salute to Excellence" banquet of the American Academy of Achievement June 15, 1968, in Dallas, Tex.

Freedom Leadership Award In the same year, he was the winner of the national Freedom Leadership Award of the Freedom Foundation at Valley Forge, Pa., where he was cited as "the nation's most eloquent and effective exponent of the American spirit."

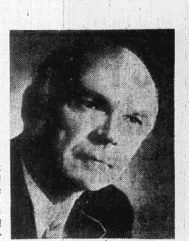

A resident of Topeka, Kan., he travels widely, emphasizing in his talks that "the responsibilities and opportunities of constructive citizenship must be taught to our youth."

In crisscrossing the U. S. almost constantly for more than a quarter-century, he has developed "a deep appreciation of what it means to be an American citizen."

He earned a bachelor degree from Pittsburg (Kansas) State Teachers College, a master's degree at Columbia University in New York and a doctorate from Stanford University in California.

Former School Official For 24 years he was a school executive, the last nine years of this span as city superintendent of schools in Topeka, the capital of his native state. The McFarland Trade School, which he designed and built at Coffeyville, Kan., is named in his honor.

Along with his speaking honors, he has been termed "America's No. 1 Air Passenger." He has been presented a special award by Capt. Eddie Rickenbacker for flying more than any other American on this continent.

DR. KENNETH MCFARLAND

try's domestic airlines.

Another top rating he has received is that of Outstanding Salesman of America, from the National Sales and Marketing Executives. Convinced of the importance of salesmanship in a competitive economy, he declares that "advertising and salesmanship are the gas and oil that fuel the free enterprise vehicle."

He also is the recipient of the President's Award of Optimist International and of honorary membership in the Fraternal Order of Police and in Rotary International.

He lives with his family on a horse farm. His daughter is a practicing attorney as well as world champion show ring rider; his son is a salesman.

Author, Recording Artist Dr. McFarland is the author of "Eloquence in Public Speaking," now in its twelfth printing and a best-seller in its field. His 14 recorded addresses, recorded while being delivered to audiences, provide keys to understanding of Americanism.

With Frank Emerson Harris he has authored a series of booklets on preservation of Americanism.

His talks feature countless humorous anecdotes, plus an analysis of newest developments on the subject under discussion and a review of the "wisdom of the ages" on the same topic, with frequent Biblical illustrations.

Reservations may be made by calling the Chamber of Commerce office, 676-6000. Tickets will be \$6.50 per person and will be available individually or for tables of eight.

### Mrs. Harriet Knobbe, 73, Dies; Ill 4 Months

Mrs. Harriet Elizabeth Knobbe, 73, of 3700 Franklin avenue, died at 7:15 p.m. Tuesday at St. Elizabeth Hospital where she had been a patient for two months following a four-month illness.

Born in Missouri, Mrs. Knobbe had resided here for 72 years.

She was a member of St. Elizabeth Catholic Church.

Surviving are a daughter, Mrs. Edward (Marian) Goodin of Granite City; two sons, Edward A. Knobbe an attorney residing in Granite City, and Thomas Warren Knobbe of Phoenix, Ariz.; three sisters, Mrs. Gordon (Martha) Page and Mrs. Virginia Schroeder both of Granite City and Mrs. William (Myrtle) McKinney of Chicago; 11 grandchildren and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

### Sfc John Riddle will Depart for Vietnam

Sfc John H. Riddle, a lifelong resident of Venice and son of C. A. Riddle of 640 Washington avenue, will leave Saturday for California enroute to An-Kag, Vietnam. The serviceman's father will observe his 78th birthday on Friday.

Sfc Riddle was last stationed at Fort Bliss, Tex., where he and his wife, Rosa, and daughter, Luella, resided. Mrs. Riddle, a native of Germany, left last month for her homeland until her husband completes his overseas tour of duty. Their son, Pete, is attending Blackburn College, Carlinville. Riddle began his 18th year in the Army last April after serving two years in the Navy. He has six sisters and two brothers living in this area.

### MORE ABOUT

## Former Resident

1962, but returned here for a period of time before again returning to the west coast to make their present home at 806 Polaris Way, Port Luenne, Calif.

Following his enlistment here in 1967, Sp/5 Dine was assigned to Fort Leonard Wood, Mo., for basic training. He was due to return home this month and receive his Army discharge.

The serviceman had written his parents that he planned to enter flight training school to become a commercial airline pilot upon his return.

Sp/5 Dine had served in Vietnam the past 17 months, having voluntarily extended his service time overseas an additional six months.

Besides his parents, the soldier is survived by two young brothers, Michael and Charles Dine, and three sisters, Sharon, Sheila and Gale Dine, all at home; his paternal grandmother, Mrs. Rosalie Dine of Granite City; his maternal grandparents, Mr. and Mrs. Charles Briggs of St. Paul, N. C.; and several aunts and uncles.

### Speeding Ticket Issued

Frank Broyles, 2030 McCasland avenue, Madison, was issued a speeding ticket at 11 p.m. Wednesday at East 21st street and Park avenue.

## Mrs. Margie Acocks, 43, Dies; Mother of 5

Mrs. Margie Ellen Acocks, 43, of 4109 North Drive, the mother of five children, four at home, died at 3:30 p.m. yesterday at Barnes Hospital, St. Louis, where she was admitted the previous day. She had been ill with cancer.

Born and reared in Roxana, Mrs. Acocks had resided in Granite City with her family the past year. Her husband, Grant, who survives, is employed as a salesman and repairman at Townsend TV, Sales & Service.

The family previously lived at Wood River. Mrs. Acocks was a member of the Assembly of God Church, South Roxana.

Mrs. Acocks also is survived by two daughters, Sharon and Cynthia, and two sons, Timothy and Steven, all at home, and a third son, David J. Acocks of Bethalto; her father and stepmother, Mr. and Mrs. Harold Wasman of East Alton; one sister, Mrs. Bonita Sherman of Baldwin, Mo.; and one grandchild.

Funeral arrangements are being made by the city's obituary column.

### One-Way Street Change

Joseph H. Kennerly, 2225 Bern avenue, was ticketed at 2:30 p.m. Wednesday for driving the wrong way on a one-way street on Iowa street at Niedringhaus avenue.

### MORE ABOUT

## 4 Persons Hurt

p.m. Wednesday. A street sign was damaged.

Taken to St. Elizabeth Hospital were Baker and a passenger in his auto, Lonzo Ray Jr., 19, of 2411 Illinois avenue, Baker, who was forced to the steering wheel, was treated for a small abrasion to the left arm and was released following x-rays. Ray was released after treatment for a small abrasion to the right forehead and skull x-rays.

Child, 4, Hit by Car  
Derrick Boyd, 4, son of Mr. and Mrs. Willie Boyd, 205a Weaver street, Venice, was treated at St. Elizabeth Hospital at 3:30 p.m. Tuesday for a scalp cut and contusions suffered when the child was struck by an auto in front of Dunbar school in Venice. The boy was transferred to Children's hospital, St. Louis, but later released and returned home.

### Three Persons Injured

Three persons were injured when an auto driven by Rose H. Wiesler, 55, of Edwardsville, struck the left side of an auto driven by Teresa K. Blanton, 17, of 4816 Warnock avenue. The Blanton car was shoved into the left side of a car driven by James W. Barnes, 2813 Forest avenue, who was stopped at 4:55 p.m. Tuesday at Niedringhaus and Spruce street.

Mrs. Wiesler was taken by ambulance to St. Elizabeth Hospital for x-rays to the knees and released. The Blanton girl and a passenger in her car, Susan Cavanagh, 16, of 2409 Delat Avenue, also were hurt.

Mrs. Wiesler was charged with a right-of-way violation with a control present.

Three persons were injured in a three-auto accident as cars driven by Mary P. Hill, 2201 State street, and Harry W. Perkins, 49, of 3108 Bluebird lane, were stopped in traffic at 3:30 p.m. Monday at 30th street and Madison avenue.

The third car driven by Kathleen Debevo, 20, of 1914 Grand avenue, struck the rear of the Perkins car and shoved it into the Hill auto.

Perkins and a passenger in his auto, Phillip Kindig, 35, of 1561 Johnson road, were admitted to St. Elizabeth Hospital. Perkins had contusions to the left arm and shoulder. Kindig had pains in the right shoulder and arm, abrasions and contusions.

The Debevo woman was treated for contusions and abrasions to the right knee and given x-rays.

## Officer, Lineman Cited for Saving Driver, Child

Patrolman Robert Astorian of the Granite City police department and Cliff Killebrew of Staunton, linemen for an electrical contractor, were honored for heroism by the Chamber of Commerce of the Tri-Cities during its monthly board dinner Tuesday night at the Rose Bowl.

Each received a framed recognition award from the Chamber's Respect for Law and Order Committee, headed by Donald G. Adams. The two honorees were guests at the dinner along with Killebrew's wife.

Chamber President Clifton E. Blankenship and Adams participated in the presentations.

**Aids Two in Burning Car**  
Astorian on Sept. 27 was the first officer to reach the scene of a traffic mishap in which a car had crashed into a tree and caught fire in the 1300 block of August street.

He put out the fire and pulled the two men occupants from the auto before an ambulance and fire truck arrived.

The passenger was pronounced dead of crash injuries upon being taken to St. Elizabeth Hospital, but the driver survived. The motorist was extricated from the front seat by Astorian and the passenger had been thrown into the back seat by the impact.

A police sergeant who arrived a short time after the rescue commented at the time that "had it not been for his actions, both would probably have burned up in the car."

**Saves Boy Atop Pole**  
Killebrew is the lineman who rescued a five-year-old Granite City boy from the top of a high-tension utility pole July 21 at Kate and Popes streets, near a power substation.

The boy had been swept upward by a rope on which he and two companions were playing and swinging adjacent to a cable truck used to set up the pole.

When a cable crew at 24th street and Washington avenue started to pull a cable from the truck through the top of the pole, older boys let go and dropped to the ground but the five-year-old was afraid to drop and held onto the cable.

He was whisked 150 feet through the air to a height of 40 feet; a pulley apparently kept him from striking lines carrying 33,000 volts.

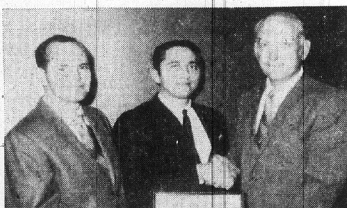

The youngster swung around, put his foot into a small iron strap supporting insulators and grasped the pole.

Killebrew, employed by the Miller Construction Co., a contractor installing poles for Illinois Power Co., reached the pole, climbed the pole, voiced encouragement to the boy, took him into his arms and descended. If either the lineman or child had come in contact with the electricity during the rescue, both could have been killed, the Chamber directors were told.

Both Astorian and Killebrew were applauded for displaying professional skills and personal courage in emergency situations.

**Driving Charge Filed**

Larry J. McPail, 3024 Buckton avenue, was charged with careless driving at 8:35 p.m. Tuesday at Johnson road and Clark avenue.

## MORE ABOUT GC Council

new drainage system in the downtown area.

**Fee Delinquencies**

City Treasurer E. R. "Pat" Rich informed council members of sewer rental fee delinquencies amounting to \$26,102 and sewage treatment fee delinquencies totaling \$20,924.

Alderman Rutledge said the council had authorized Rich over a year ago to proceed with collections through the city attorney and the small claims court and that the procedure should be followed as instructed. Rich said he had submitted names to a former city attorney, but no court action had followed.

"We have given you the authority to go to the small claims court, so get those names to the attorney," Rutledge remarked.

Mayer Parmley advised council members that a Chicago bonding firm's legal staff had pointed out the city could not borrow or use the surplus base-Nam-eoki area sewer funds under the present ordinances, but had agreed to talk to the bondholders to determine if they would agree to the procedure.

"We have another meeting Wednesday (yesterday) with representatives of bondholders in St. Louis and vicinity, and it will be a few weeks before we'll know the results."

The mayor added that he believed the bondholders would rather have the bonds retired as quickly as possible for a return on their money at the 4½% interest rate so they could reinvest it at the present higher interest rates.

He also pointed out that a complete breakdown of the sanitary sewer lines could occur if repairs are not made, "and that could cause a problem in

## Dog Club to Nominate Officers on Nov. 12

Members of the Quad-City All Breed Dog Club met last night at the YMCA and heard a talk by Dr. Larry Tadlock, who spoke on diseases in puppies.

collecting the monthly rental fees if the services are not provided.

The mayor expressed gratitude for obtaining federal grants than in securing the sewer account money. Moerlein, in his motion for transfer of the surplus funds to the sewer maintenance account, said the city could repay the estimated \$300,000 in three to four years, using 12½% of the income tax allocations.

Rutledge commented that based on estimates, it would take more like 10 to 12 years.

In debating the use of the income tax money, several aldermen stressed the funds are needed for projects in other sections of the city.

Parmley challenged this, pointing out that while the sewer problems were not in his ward, he believed "the people in that area need sewers more than my people need sidewalks."

## MORE ABOUT U. S. Aid

aid in repairing the sewers eliminates any potential of a bond issue which had been discussed as the only apparent means of financing the sewer repair work. Because the broken lines in the Centerville area carry sanitary sewage, the levee district was cited in August by the Sanitary Water board to make immediate repairs since the condition presented a serious health hazard. The levee district had no funds for the work.

On the basis of estimates prepared by the U.S. Army Corps of Engineers, repairs to the Madison storm water line, which is believed broken for about 50 feet at a point 300 yards east of the Madison

pumping station, will cost about \$366,250. Estimates of the repair work necessary in St. Clair county set the cost at about \$687,500.

According to levee board members, Wood "indicated" during his discussion with them Saturday that the levee district could expect to receive between \$1,250,000 and \$1.5 million on the basis of its original claims for \$2.7 millions filed under the disaster relief program.

**Aid for Granite City**

The federal official, in discussing sewer problems, remarked that Granite City — which also filed substantial claims for flood damages to sewers — will receive federal assistance, but did not specify any amount, levee board officials said.

Ebersold said that specific requirements for doing the re-

pair work were laid down by Wood and Eisele. Procedure will call for billing on a unit basis. Both officials ruled out any cost-plus contract plan, Ebersold said.

After the work is done, bills will be audited by a federal auditor. The federal government will send the money to the levee district which will pay the bills.

Federal aid for the sewer work helps solve one of the most desperate financial problems confronting the levee district, which has a long history of financial difficulties.

**Subject to Fines**

Unless the district found the means to make the sewer repairs, it was subject to heavy fines by the State Sanitary Water Board. Possibility of a bond issue was discussed as a last resort. Under state law, the district can issue bonds

without a referendum to do work ordered by a court of a state agency authorized to order the work.

Ebersold, who opposed an attempted bond sale six weeks ago and urged levee board members to hold out until they could determine the federal response to their claims for flood damages.

Madison and St. Clair county were included along with a number of northern Illinois counties in a "disaster area" declaration by Governor Ogilvie in early August. More than seven inches of rain fell in this area during a period of only a few days in early July, resulting in interior flooding said to be responsible for the levee district sewer breaks and many of those in the Granite City sewer system.

**PRESS BOX THE BOOSTERS BUILT** at the Granite City high school athletic field. It will be presented to the school system before Friday's football game by the Boosters committee co-chairmen, Nick Petrillo (left) and Emerald Dawes.

## Dedicate Pressbox at GCHS Field Tomorrow

After a year of conversation and a year of construction, the Granite City Boosters club has stimulated the donation of labor, materials and money to complete a new press box valued at \$40,000 at the Granite City high school athletic stadium.

Preceding Friday's 8 p.m. homecoming football game, the structure will be officially dedicated to the school district and dedicated as the "Memorial Pressbox" to students and graduates of the high school, including those who died in the service of their country.

Soldiers from the Granite City Army Depot will act as color guards.

A co-chairman of the Boosters pressbox building committee, Emerald Dawes, has explained why the project was begun: "We wanted to build something to show our real pride in the athletes and students."

Co-chairman Nick Petrillo continued with an example of the inspiration behind the project: "Several years ago, I was on the field during a game and a stranger asked me, 'Where's the pressbox?' When I pointed to that old one (a small stand for photographers), he laughed."

"Now, Washington University's pressbox doesn't compare with this one."

The second level for school principals, athletic directors, etc.

A refreshment station for all in the structure is to be provided at this level.

The ground floor will contain a first-aid room and examination table. Prior to construction of the pressbox, injured students also had to be taken indoors over a long route and then, if an ambulance were necessary, had to be carried to a parking lot. Now, an ambulance can drive directly to the first-aid room.

Of the \$40,000 value estimated for the pressbox, only \$4000 cash was spent.

Proceeds from the "Ozark Opry" programs of the Boosters, profits of the Boosters' booth at the July 4th picnic in Madison Park and income from the Boosters' fish stand at the Jaycees' homecoming picnic all contributed to the pressbox fund.

During the past year, more than 75 people anonymously donated materials and volunteered their labor in the construction.

Apprentice craftsmen from AFL-CIO Bricklayers Local 68 and Carpenters Local 653 contributed their efforts to the project.

## Undefeated Soccer Teams Will Collide

"We are ready," Coach Bob Gueller, soccer coach at SIU-SW, said today. The Cougars will meet Quincy College Saturday night in Quincy.

A victory for both clubs is almost a must if either is to continue to hold hopes for a postseason tournament bid. The game will be played under the lights on the Hawk's narrow field.

SIU-SW is unbeaten in four games this season and has extended its winning streak over two seasons to 14 straight. Quincy is unbeaten this campaign and also has won four.

In the current midwest poll of college and university soccer teams, SIU-SW is ranked third—with 64 points, while Quincy is fourth with 57 points. Quincy is seventh in the nation; Quincy is not listed in the top ten.

Last season, the Cougars won Quincy 2-1 here. "They are tough, and particularly so on their home field," Gueller said. He predicted a capacity crowd of 3000 will be on hand to see the game.

Tri-Captain, Jim Hoff, of the national AMA district VI associate vice-president told the Press-Record, "The purpose of the meeting is to foster a closer working harmony between the Academy and the membership."

"It will give members an opportunity to meet their district officers and learn first-hand what the Academy is attempting to do. It will also give the officers an opportunity to better learn of the program of district clubs and to better acquaint themselves with problems."

Other district officers who will attend here are vice-presidents, Gosta Johnson of Chicago, contest coordinator, Whel and Webb of Harvey, Ill., and contest board representatives—free-flier, Chuck Booneman of Kokomo, Ind., control-line, Art Johnson of Rockford, Ill., radio-control, Bud Atkinson of Blue Springs, Mo.

## Mater Dei of Breese To Host MHS Gridders

The undefeated grid Trojans, 26-6 victors last week over the Triad Knights, will face a "test" of their week of "Knights" when they travel at 5 p.m. Friday to play the non-conference Mater Dei Knights at Breese.

Mater Dei Coach Dan Hupcus told the Press-Record this week that he is well aware of the offensive threat posed by "Harold James up the middle and Dwayne Shaw around the end."

But his own halfback, Henry Hummert, also is worthy of considerable study as opposing teams map their defensive plans.

**203-Yard Gains**  
Hummert, now a 185-pound junior last year gained nearly 500 yards even though his first duties were as a blocker. Last week, Hummert checked up 203 yards, aiding the Knights gain a 14-6 win over Chester.

Juniors, the Knights' main line while Shaw rushed a highly respectable 68 yards.

And the MHS defense continued to be among the best in the region.

Hupcus says his defensive line may be five-man, as has often been the pattern. But Vander Haar's scouts at the Mater Dei-Chester contest warned that both 5-3 and 6-2 defenses are possible.

"They had a good defense against Chester and should have won by a bigger score but for some fumbles and interceptions," the MHS coach commented.

"Ron Striker is one of the best ends I've seen and their quarterback, Jeff Haymann, is a good passer."

**Unorthodox Tactics**  
"They do a lot of stranger things, though. Like, the receiver will run cross-field and the quarterback will job the ball, end over end like a baseball. It has no finesse, but it works for them."

He is undivided on whether:

## Pass-Kick Contest Sunday; Register Here by Tomorrow

Boys aged 8-13 who wish to compete in the Pass and Kick contest must enter by tomorrow at the Hohn auto agency at 1837 Madison avenue, where local winners' trophies are on display.

The Quad-City contest will be held Sunday at 2 p.m. on the Granite City high school football field.

Local winners will have earned the opportunity for subsequent competition that could lead to the national level.

Last year's winners who are expected back Sunday to compete in the next older age grouping are: Tom Mahl, eight, Greg Corey, nine, John Maeras, 10, and Kirk Champion, 12.

## Warrior Harriers Defeat Triad, MHS

Warrior harriers won a triangular meet Wednesday on the 2.6-mile Triad course.

Team scores were: Granite City 24, Triad 35 and Madison 80.

Triad's Rick Box was first, clocking in 13:40; but the Warriors' greater depth prevailed.

Warriors finished: Gene Briggs, 2nd-14:00; Dan Burris, 3rd-14:15; Doug Horton, 5th-14:20; Jeff Lux, 6th-14:23; Art Menendez, 8th-14:35; Scott Schneider, 9th-14:41; Jim McDuffy, 10th-14:43; Ralph Rohas, 11th-14:46.

Henry Dobbins was the most successful Trojan, placing 15th with a time of 15:19. Other Trojan finishers were Ray Dailey, Darrel Fletcher, Emory Wilson and Jim McDonald.

## Mendoza Team 3-0; Home Game Sunday

Granite City's Mendoza Sporting Goods soccer team defeated the Sunday Morning Club 3-1 at Carondelet park Wednesday to extend its record in the Metro-politan League to 3-0.

The local team led at the half 2-0 on goals by Bob Galvin assisted by Herb Milton.

After ten minutes in the second half the enemy scored, and late in the game Galvin scored again, this time on a solo after passing three defenders.

## Fumbles Factor in 28-6 Gator Setback

The Griggs Gators football team lost at Roxana 28-6 Wednesday, hindered by what Coach Ron Yates labeled "fumble-itis."

At halftime, Roxana led 8-0. Griggs lost three fumbles within 20 yards of the goal line, once before the half and twice afterward.

Donny Woods ran 60 yards on a sweep play in the final period for the Gator TD.

## Soph's Top Alton 13-6

The GCHS sophomore grid team defeated Alton 13-6 here Monday and the Warrior junior varsity lost to Belleville East Tuesday 28-6.

## GCHS Homecoming Foe Coach's Former Team

The football Fighting Warriors, tied for first place in the Southwestern Conference, will greet the Wood River Oilers at 8 p.m. Friday for Granite City's annual homecoming game.

Coach Wayne Williams cites three reasons why the Warriors want to win Friday:

"The game is against the team he last coached, 2. It is homecoming, 3. It is another top game."

Co-captain and Quarterback Dave Evans doesn't deflect the stoic simplicity of his coach's "another football game." He explains, "Wood River will be up for this game, because they'll want to show Coach Williams it was a mistake to leave."

League Lead at Stake  
"And, the game represents retaining leadership of the conference," GCHS and Edwardsville currently lead with 2-0 records.

Before Williams coached Wood River, the Oilers had won 10 games without a winning record. Under Williams' five-year tutelage, they recorded

four winning seasons.

At Granite City, B. W. (Bevo Williams), the Warriors had played 20 consecutive games without a win. Now they are conference championship contenders, but admittedly still face rugged opposition.

After dropping their opener to Decatur 12-6, the Warriors clubbed Collinsville 45-8 and nipped the powerful Alton Red Birds 16-14.

**Oilers 2-2 for Season**  
Wood River, after non-conference wins over Bethalto 14-0 and Roxana 27-6, has been denied a conference win by Edwardsville 27-0 and Belleville West 20-0.

However, Quarterback Roy Morris could put together an effective aerial offense if the Oilers offensive line gives him adequate protection. Against Belleville West, he was smothered often and was limited to minus-34 yards, but he is regarded as a skilled passer. Terry Forsting provides able ball carrying.

Defensive standouts for Wood River include Nhl Belanger, a 190-pound tackle, and Greg Burk.

## Leonard R. Davis Alive And Well, Callers Told

"You can tell everyone that I'm still alive," Leonard R. Davis, operator of a local funeral home and former Granite City mayor, informed the Press-Record today.

"I've had a million telephone calls this morning, plus a few calls last night, making sure it wasn't me shot yesterday in St. Louis," he commented.

Most inquirers into Davis' health had caught excerpts from newscasts reporting the fatal shooting of Leonard C. Davis, 59, a mortician who operated a funeral home on Washington Blvd., St. Louis.

The St. Louis man was shot to death about 6:45 p.m. Wednesday when getting in his automobile in front of his home on Lotus avenue, St. Louis. He was pronounced dead at Homer G. Phillips Hospital.

A parked car owned by Wilma Valencia, 1701 Spring street, was damaged in the parking lot at Chris Keye Plastics, 1200 Madison avenue, when struck by a car driven by Olive M. Appony of 5 Jones Park drive at 12:55 p.m. yesterday. Officers said the driver told them she was backing her car to park when the gears became lodged in reverse, causing the car to run over the sidewalk and into the parking lot.

## Parked Car Damaged.

**Ride to Hockey Game**  
Ten St. Louis Blues hockey patrons who have tickets for Saturday's opening contest with the Chicago Black Hawks at St. Louis Arena, but lack transportation, may ride a Granite City park district bus leaving the Wilson Park ice rink parking lot at 8:30 p.m. Saturday. # Wallace Held in Jail Pending Grand Jury

Roger Dale Wallace, 21, of 2801 Warren avenue, was held at the Madison county jail at Edwardsville this week in lieu of \$25,000 bond pending grand jury action on a charge of armed robbery. The grand jury is expected to meet tomorrow. He was charged in the hold-up at Emmitt's market, 2700 Edwards street, last Friday. The amount of money taken was undetermined, but police were told that it was less than \$150. Wallace, at the time of the holdup, was at liberty on \$1000 cash bail after being bound over to the grand jury on a charge of aggravated battery. Police said he and two others were charged with burglary at the home of Hector Lynn, 2817 Warren avenue, July 16, 1968, but the case was never prosecuted.

## Patrol Car Involved In 3-Auto Accident

A patrol car enroute to a traffic accident was involved in a three-car accident at 5 p.m. Tuesday at 19th and Adams streets. Patrolman Elwyn E. Dickey reported he had the red lights and siren operating and made a stop at 19th street before entering the intersection. The police car made contact with the right side of an auto driven by Pamela A. Blason, who slid into the auto of David L. King, 778 Harding Blvd. King also had stopped.

## Faces Four Charges

Theodore J. Keck, 19, of 2981 East 28th street, was arrested at 8:45 p.m. Tuesday at Pontion road and Franklin avenue on charges of cruising in a drive-in restaurant, careless driving, profanity and resisting arrest. He was released on his driver's license and \$150 cash bail pending a hearing.

## MORE ABOUT

## Chamber Elects

Howard Kaseberg and Carl E. Mathias served with Baker; Slate was aided by William L. Harris, Mike Sasyk, Dale Arquette and Kenneth J. Morrison. Dr. Felicia Koch reported that the Women's Division is preparing to implement a main-tenance beautification program and Adams said local residents will attend a regional Chamber of Commerce Law and Order valor award luncheon Nov. 10 in St. Louis. The directors adopted a resolution endorsing active citizen participation in the United Fund campaign, and Drive Chairman Kontzen spoke briefly.

The board approved the Gauen Lumber Co. for membership and reviewed plans for a meeting of Oct. 16 in Chicago and the Tri-Cities C. of C. annual installation dinner Oct. 28 at SIU-SW.

Recommendations of the Personnel Committee, headed by Russell O. Crocullus, were approved, along with a membership program by Terrell and a financial report by Wilmsmeyer.

## 'Fractured Follies' Rehearsals Under Way

Promising his listeners—hard work at rehearsals, piles of dirty laundry and possible broken homes, but lots of good, clean fun if they take part in St. Elizabeth Hospital Auxiliary's benefit show, "Fractured Follies,"—Edward J. Hamilton of New York City, enthused those attending the auxiliary's "Kick-Off Talent Party" Monday evening, while urging them to volunteer their services. Hamilton, an associate of Jerome H. Cargill, Inc., of New York City, one of the country's leading producers of amateur theatrical shows, will direct and choreograph the "highstepping" musical revue, to be staged at the Granite City high school auditorium, Friday and Saturday nights, Oct. 24-25, for the benefit of St. Elizabeth Hospital.

More than 100 persons at Tony's restaurant, 6340 Nameoki road, site of Monday's talent party, heard the professional showman outline requirements needed to produce a successful variety show, including a concentrated number of rehearsals, enthusiasm and many volunteers. Hamilton said about 56 performers are wanted for the production, which will feature skits, dance sequences, chorus numbers and specialty acts. The show will reflect a "medical" flavor, appropriate to the sponsoring organization and its work in behalf of the local hospital, he noted.

### Presbyterian Society Meets

First United Presbyterian Church, 22nd street and Delmar avenue, was hostess to the Alton Presbyterian Society at the annual fall meeting Wednesday attended by about 55 women.

Registration began at 9 a.m. and a coffee hour followed. Organ music was provided by Mrs. Walter Kerch; and Mrs. Eldon Orr, Presbyterian president, called the meeting to order.

After the opening hymn and a period of enrichment conducted by Mrs. Orr, Elbert Roberts, president of the United Presbyterian Women of the hostess church, welcomed the guests and spoke briefly.

Three guests were present. Mrs. William Heiman, wife of the pastor of Westminster Presbyterian Church in Decatur; Mrs. Everett Butler of Alton; and Dr. Esther Kantayya, a native of India, resident in the costume of her country, who addressed the group at the afternoon session and told of her work as a medical missionary in India.

There were reports of committee chairmen, and adjournment for a noon luncheon served by the women of the church.

Three local women were elected to office at the meeting. They were Mrs. W. G. Cooley, who was named vice-president; Mrs. William Lierman, who was named on the committee for leadership for resources of action; and Mrs. George Holtzsch, who will serve on the committee for interpretation.

**AUTUMN BRIDE, Mrs. Gary Elkins, the former Mrs. Schrieber, who was married recently at the Church of God.**

### Pi Eta Chapter Holds Meeting

Mrs. Cheryl Pounds, 3708 Harplace, was hostess to Pi Eta of Beta Sigma Phi, formerly Phi Delta Lambda Chapter, Tuesday evening.

A resume of the work of the committees and officers was given by the members to the pledges attending. Mrs. Tina Bunte and Mrs. Regina Stickleford, and the program consisted of a cosmetic demonstration by a guest, Mrs. Anita Berry.

Those attending were Mrs. Sharon Burnett, Mrs. Donna Lane, Mrs. Cathy Warford, Mrs. Ellen Wilson and Miss Claudine Hancock.

Refreshments were served by the hostess, and plans were made to meet again Oct. 21 with Mrs. Lane.

### Legion Youth Group Elects

Announcement was made of the officers for the recently organized youth group of the American Legion Auxiliary 113 at a meeting of the Auxiliary last night.

The girls elected were Janice Edwards, president; Terry Hawkins, vice-president; Beverly Edwards, secretary; and Linda Grobelenk, treasurer. Miss Delphine Utke is the leader.

Mrs. Doris Edwards, Auxiliary president, conducted the meeting, and a contribution was made to the Seven Point program. Announcement was made of a district meeting in Fairmont City Oct. 26, and Mrs. Edwards, Mrs. Rose Halbert were appointed delegates.

A Halloween costume party to be held Oct. 28 was discussed, as was a rummage sale on Nov. 7 at the Legion Hall.

### Sorority Plans Fall Hayride

The home of Mrs. Jan Ash was the place of meeting last night for Nu Zeta Chapter of Beta Sigma Phi sorority.

The extension officer, Mrs. Elynn Mae Curtis, was in charge and the social committee announced Oct. 23 as the date for a hay ride for the husbands of the members and friends.

The City Council all-chapter party is to be held Nov. 3. Refreshments were served, and the cultural program was presented the hostess. The topic was "Painting the Person." Those attending were Sandra Cook, Curtis, Marilyn Lumpkins, Shirley Worster and a Sheryl Whaley.

**85-YEAR-OLD BELL, used on the desk of an Illinois teacher, the late Miss Eudora Smith, in 1884, is presented by her grand-niece, Mrs. Claribel Ryeonson Rehms, a Venice teacher, to Mrs. Marguerite Connelo, president of Beta Eta Chapter, Delta Kappa Gamma Society. In memory of her great-aunt, Mrs. Rehms also gave the club a \$100 scholarship gift for a future teacher.**

### Hair Styling Contest Winners

A student "trend" contest was held this week at the Granite City School of Beauty Culture.

The new trend in hairstyling is called "soft mood."

The contest was judged in three categories, adaptability, originality and technical execution; and the trophy winners are as follows: first place stylist, Mrs. Sheila Dyer, with Miss Jo Lynn Sherman, as her model; second place stylist, Mrs. Wilhelmine Zinn, and Miss Linda Besserman, model; and there was a tie for third place by Mrs. Carole DeMontmolin and Mrs. Juanita Fuchs, with Mrs. Pam Brooks and Mrs. Alice Walker, models.

Other contestants were awarded silver zippers. They are Miss Nancy Newberry, Mrs. Shirley Milam, Mrs. Janet Gibbs, all of Granite City, and Mrs. Rebecca Dorko of Berd Judges were Mrs. Margaret Barzoff, chairman, Mrs. Mauri Dickey and Mrs. Shirley Sanders.

### Teacher Society 11th Anniversary

The eleventh anniversary of Beta Eta Chapter, Delta Kappa Gamma Society, an organization of women teachers, was observed Monday with a special birthday program, held in Traderville, St. Louis.

The gift will be presented by the chapter to a local high school student planning to enter the teaching profession.

In addition to the scholarship, Mrs. Rehms presented the chapter a desk bell, used by Mrs. Smith in 1884. The bell, engraved in sterling silver, is engraved with the chapter name.

The late teacher was a graduate of Knox College, Lake Forest University and Washington University. Following her death in 1889, Miss Smith's private papers disclosed acts of generosity which benefitted more than 1500 students in training during her life time.

In honor of the birthday anniversary, a program highlighting the past 11 years was presented by Mrs. Mildred McCormick, Mrs. Mary Roscoe and Mrs. Margaret Dupuis. Vocal music selections were given by Miss Rogers Davis, accompanied by Mrs. Barbara Williams.

Hostesses were Mrs. Violet Edwards, Miss Marguerite Barker and Mrs. Rehms. Autumn flowers and other fall appointments decorated the dining tables.

Other chapter members attending from Quad Cities were Mrs. Viviana Dine, Mrs. Georgia Engleke, Miss Anna Marie Horn, Mrs. Martha Jean Hayes, Mrs. Virginia Oram, Mrs. Gladys Pape, Mrs. Norma Schroeder, Miss Cleo Ulm and Mrs. Valerie Stevens.

### DeMolay Mothers Plan Events

A family covered dish supper preceded the regular meeting of the DeMolay Mothers Club Tuesday evening at the Masonic Temple. About 160 were present.

Mrs. Jean Hileman, president, conducted the meeting and plans were formulated for the DeMolay Installation Oct. 21. A nominating committee was appointed to select new officers, and Mrs. Hilda Few was named chairman. Assisting her will be Mrs. Bernice Fitzpatrick, Mrs. Ursula Lackey, Mrs. Joann Harrison and Mrs. Shirley Schullinger.

Hostesses were Mrs. Mary Earls, Mrs. Olive Malert, Mrs. Joann Brewer and Mrs. Betty Ebrecht.

Others attending were Mesdames Ida Phillips, Margaret Lowe, Pat Wallis, Frankie Hickey, Betty Young, Marcella Noud, Hazel Staggs, Peggy Mangum, Iris Watson, Ruth Norton, Marge Reutebuch, Joyce Mih, Ann Fowler and Van Stuart.

### Past Presidents Parley Meets

The Past President Parley of Unit 11 met at the American Legion Home Monday evening with the president, Mrs. Evelyn McColligan, presiding.

Chaplain Alma Klum gave the opening prayer, and reports were submitted by Mrs. Vi Kasabaum, Mrs. George Kramer and other committee chairman.

In games, those winning prizes were Mesdames Ethel Evelyn McColligan, Edna Whaling, Emma Steiner, Georgia Kramer, Alma Klaus, Mrs. Vi Kasabaum, Hazel Odum, Loretta Goller and Esther Harris.

Refreshments were served. The next meeting is set for Nov. 3.

### Group to Attend Recognition Day

Mrs. Jo Gipson, co-leader of the Whittle By Whittle club, presided at the Monday night meeting, held at the East Side Lovee and Sanitary District building here. Mrs. Gladys Hutson read the roll and members answered with their week's gains or losses.

Mrs. Gipson and Mrs. Hutson were in charge of weighing. A new member who had just joined the club last week, Mrs. Janice Hildreth, won the title of "queen of the week." She received a tiara and a basket of fruit as well as the evening's prize. All sang "Hail to the Queen."

Guests introduced were Mrs. Georgia Wilson, Mrs. Jolene Myers and Mrs. Thelma Pryor.

New members present whose names were added to the club were Mrs. Mildred Boyer, Mrs. Marilyn Southerland and Mrs. Elsie Mathenia.

Mrs. Shirley Sobolewski was presented a charm.

Mrs. Peggy Hackney, club co-leader and area captain for Take Off Pounds clubs in this region, will get the invocation at Arpa Recognition Day this Saturday at the Holiday Inn East, Springfield, Ill. Several local members have been ordered for that.

Mrs. Gipson announced that a member, Mrs. Carmen Brink, is a patient at St. Elizabeth Hospital; a daughter, Rebecca, was born Sunday.

Plans were made for a costume Halloween party at the Oct. 27 meeting. Chairmen of the party are Mrs. Jerry Stoggs, Mrs. Sharon DePew, Mrs. Stella Fisher and Mrs. Judy Greer. Prizes will be awarded for best costumes.

"Husband night," scheduled for Oct. 27, has been changed to Monday, Nov. 3.

Hostesses next week will be Mrs. Judy Boyer and Mrs. Stella Fisher.

The meeting closed with prayer led by Mrs. Agnes Kern. Coffee was served by Mrs. Judy Greer and Mrs. Ruth Coad to those named and Mesdames Sharon Bridick, Datha Ely, Iris Gauen, Evelyn Hubbard, Ruth Hubbard, Jacquelyn King, Linda Miles, Pat Pelo, Donna Shaffer, Betty Young, Jo Ann Zotti and Dolores Townsend and Miss Carol Gauen, Miss Pat Stalder, Miss Ruth Stover and Miss Phyllis Townsend.

### MANZO AND CIONKO WEDDING IN ARIZONA

Miss Stephanie Lynn Cionko, a daughter of Mr. and Mrs. Louis Cionko of Granite City, and Joseph Anthony Manzo were married recently at the bride's uncle and aunt, Mr. and Mrs. James Williams of Ajo, Arizona, with whom she is presently residing.

The bridegroom is a son of Mr. and Mrs. Frank L. Manzo, also of Ajo.

A reception was held after the ceremony with about 40 guests present. The newlyweds will make their home in Ajo where both are attending the high school. They will graduate in June.

### CUBS OF PACK 17 TOUR FIRE STATION

Cub Pack 17, sponsored by the Marshall PTA, met Tuesday afternoon and was taken to the Madison avenue fire station, where the boys received a guided tour of the equipment and facilities. Each was given a pamphlet on "How to Be a Junior Fire Marshall" and a junior fire marshalling card.

Den mothers and cub scouts who attended were: Den One, Mrs. A. J. Hale, a Bugg, Randy Peach, Gary Harris, Dan Kief, Tippy Bugg and Buddy Watkins; Den Two, Mrs. Pat Shable, John Shable, Greg Colyot and Robin Nun, who is den chief, and a visitor, Keith Shable; Den Three, Mrs. Mary Yeager, Mrs. Joan Duke, Tom Duke, George Yeager, Mark James, John Clark and three new members, Mark Duke, James Stockwell and Ricky Watkins; and two visitors, David and Angela Yeager.

The next pack meeting will be Oct. 29 at 7:30 p.m. at the school. A "space derby" will be held, and refreshments will be served by Den Two.

### NEIMEYER FAMILY PICNIC CELEBRATES BIRTHDAY

A picnic by the Neimeyer family featured a surprise celebration for William Neimeyer, who will be 88. The picnic was held this week at Wilson Park.

Attending were Mr. and Mrs. William Neimeyer, Mr. and Mrs. Louis Neimeyer, Mr. and Mrs. Everett Dollins, Mr. and Mrs. John Dollins and children, Mr. and Mrs. Thomas Kowalski, Mrs. Bellville, Mr. and Mrs. Donald Fuller and children of Dellwood, Mo., Mr. and Mrs. Beryl Dalrymple and children of Valley Park, Mo., Mrs. June Lawless of St. Louis and daughter, Karen, of Cape Girardeau, and Sp4 Ray Griffin of Fredericktown, Mo., who recently returned from Vietnam.

### Gideon Camp Presents Bibles

The Granite City Gideon Camp and Auxiliary met Monday evening in the home of Mr. and Mrs. C. F. Reimers, 2615 Benton street.

Devotions were given by Charles/Finley and business sessions were presided over by Mrs. Edward Stone and Charles Staveley.

Both groups reported on the presentation of Bibles, hospital Testaments and nurses Testaments in Staunton, Gillespie, and Carlinville.

The Auxiliary also presented nurses Testaments to a class in practical nursing at the Olin Vocational School in Alton on Sept. 26. On Oct. 17 Testaments will be presented to a graduating class in practical nursing at the East St. Louis School of Nursing.

Those attending the meeting Monday were Mr. and Mrs. Edward Stone, Mr. and Mrs. Charles Finley, Mrs. Hugh Foster, Charles Staveley and George Schumacher.

## Adequate Measures Assure Water Safety

Water supplies from the Mississippi river, while becoming increasingly polluted in the original state as time goes on, are perfectly safe from a health standpoint after purification and are safeguarded by almost constant testing and sampling before and during distribution for public use, water company and public health officials asserted here today amid a growing controversy over the quality of the area's drinking water supply.

Water supplied the Quad-City area from the East St. Louis and Interurban Water Co. undergoes at least 100 tests during every 24-hour period, a minimum of 35 of those tests for "bacteria kill," according to Glen Thornberg, Granite City district manager of the company.

In addition, Thornberg said, at least nine tests are run every day to determine the fluoride level of the outgoing water supply and "taste and odor" tests are run every hour if time permits, but at a minimum of one such test every other hour. Testing is done at the water company laboratories at West 23rd and Logan streets.

### Repeated Tests Necessary

Thornberg maintained that purification of water through chlorination makes the water supply safe, although he said that water supplies at the intake point are becoming more polluted and that "it is getting more difficult all the time to keep the water supply at a safe level." The repeated tests are necessary to determine the extent of purification process necessary for a proper bacteria kill, he explained.

Testing and a purification methods of the water company are backed up by state health department workers who also make extensive tests in laboratories at East St. Louis and Springfield, Charles Pantney, bacteriologist at the state laboratory in East St. Louis, said the health department makes spot checks of water supplies, but also tests waters in wells, cisterns and from other sources that may be used for drinking purposes.

He said tests of the purity of drinking water supplies by health officials are not nearly as extensive as those made by the water company since the health department concentrates much of its efforts in determining that the affluent from sewage treatment plants is properly treated before discharge into the river.

### 300 Treatment Units

He said there are now about 300 treatment units in the district handled by the East St. Louis laboratory which limits the number of tests to "as many as we possibly can make." Proper treatment of sewage turned into the river from treatment plants is a necessary step under water pollution control programs intended to lessen the extent of pollution in the rivers.

The quality of water supplies became an arduous issue Tuesday after Carl L. Klein, an assistant secretary of the U. S. Department of Interior, said a water pollution control conference in Dallas, Tex., that the Mississippi and Missouri rivers

"are too dirty to be considered satisfactory sources of drinking water."

That statement was followed by one from Valgard Jonsson, deputy St. Louis health commissioner, that while water in the metropolitan area is safe by accepted standards — those standards are too low.

Jonsson, whose duties include testing St. Louis city water, said that from the standpoint of bacteria, the water is safe. But, he added, from the standpoint of viruses the water is an unknown, and probably dubious quantity.

**Safe by Current Standards**

"By American Public Health Association and U. S. Public Health Service standards, our water certainly is acceptable," Jonsson said, "but that does not mean our water is good."

Criticism of water supplies and extent of purification standards is an apparent result of growing pressure for construction of sewage treatment plants throughout the nation. Congress recently authorized a \$1 billion appropriation set up in the Clean Water Restoration Act.

The administration reduced

the appropriation to \$250 million, but since has raised it back to \$750 million in the hope Congress will accept it and avoid a floor fight.

**New Alarm Device**

In noting purification and testing methods used by the East St. Louis and Interurban Water Co. for the water supply in the Quad-City area, Thornberg pointed out that the company recently installed a new alarm device at the Chouteau intake to detect presence of phenol substances in the raw water supply.

The installation was made after several oil waste discharges into the river from the Wood River area during the past year seriously affected the taste of drinking water.

Thornberg said the system is a complex device consisting of a beam of light sensitive to color emissions of phenol substances. If the light detects color, it activates a chart which is checked regularly by laboratory operators, he said.

"The system is by no means a preventative for the problem, but alerts us to the trouble potential which we can explore through other means," Thornberg said.

## State Buys Levee District Land--For Drainage Ditch

The Illinois State Highway Department—frequently criticized by East Side levee board members for creating more drainage problems by highway construction—appealed to the levee district board yesterday in asking for a roadway building program.

The problem: providing adequate drainage for a new Interstate 64 where it crosses Route 157 near Bunkum road in St. Clair county.

George Rodman of the highway right-of-way department, appeared before the board in support of a previously won the piece of land in the levee district sell the state a piece of land in that area to provide an easement for a drainage ditch.

The board voted to sell the piece of ground which is owned but is not located within the levee district. The price was \$400.

### Polish Translation for Christian Science Book

A Polish translation of "Science and Health with Key to the Scriptures" by Mary Baker Eddy has been published, according to an announcement made this week at the First Church of Christ, Scientist, in Boston by Clem W. Collins, publisher.

The Polish edition is the 11th translation of Science and Health, and is required every 48 years to translate the 700-page textbook into Polish.

### Car Hit from Behind

An auto driven by Jasper L. Chastain, 41 Moorland drive, who came to a stop, was struck from behind by a car driven by Warren W. Taylor, 410 Kirkpatrick Homes, at 4 p.m. Tuesday at Nameki and Johnson roads.

### Auto Stops, Struck

Supplying her auto to make a right turn, Peggy A. Boswell, Rural Route One, was involved in an accident with a car driven by Gladys L. Murphy, 120 Springfield avenue, Mitchell, at 4:40 p.m. Tuesday at 25th street and Madison avenue.

## MORE ABOUT Mayor Offers

cit at a minimum and still maintain full employment and service to the public.

"This would entail eliminating all capital expenditures for the balance of the year and all expenditures wherever possible for replacement of equipment and materials."

"We can set up a sewage department to the division of sewers and turn over all equipment pertaining to sewers to the supervisor of the sewage treatment plant."

"While doing this would reduce the deficit, and if we adopt this approach, I am confident that in the next two or three years, barring some reduction of our tax rate, and by curtailing capital expenditures during the following two fiscal years, we could balance our budget."

"The second approach is to make a drastic reduction in our payroll in addition to the curtailment already outlined."

"By reducing our number of employees by 28 people, we would save approximately \$983 in salaries, plus an additional amount in operating expenses by reason of the fact that we would not be operating all of our motorized equipment or other facilities."

"If we are to reduce our staff, I feel that this should be done throughout the city and not just one or two departments."

"If you chose to reduce the payroll, it would be my suggestion that we temporarily terminate the employment of six firemen and close down Fire House No. 3 (the Nameki road area), one janitor and one matron and have this service at the city hall on a contract basis."

"Three men in the police department; eliminate the switchboard and transfer the operator to the police department relieving a policeman at the desk; five crossing guards where we have control lights."

"One clerk in the treasurer's office, and in addition the part-time employee now assisting the city treasurer in counting of parking meter funds could be terminated, and these duties could be taken over by the deputy city clerk; and eliminate one clerk in the comptroller's office."

"A third possibility would be to place all employees on a reduced work week of four days, eliminating any overtime."

"This, of course, is contrary to our present union contracts and would require negotiations with the employees or their union representatives."

"Regardless of which of these approaches are taken, I would strongly recommend at this time that the following measures be taken by the council."

"a. All curb and gutter, sidewalk and street improvement projects financed with city tax funds be terminated as soon as the jobs now in progress are completed."

"b. All capital improvements or acquisitions of capital equipment for all departments be terminated for this fiscal year."

"c. Curtail Civil Defense spending."

"d. Turn over all air pollution control to the state and federal government."

"e. All available transferable monies be transferred into the sewer maintenance fund."

"f. The city treasurer collect all outstanding city license fees."

"I realize the adoption of any of these solutions to our problem present a decision that none of us can make lightly."

"On the one hand, the continued operation of the city, knowing that we will end up the fiscal year in debt, is not a pleasant thought and will give all serious misgivings. On the other hand, the termination, even though temporary, of city employees who have given us in some cases many years of faithful service, is a decision that should be made by the entire council."

"This will affect not only the employees themselves but also their families. We must also realize that if the employees are terminated, many of these employees will during their temporary lay-off find other employment, and their experience, and capabilities will be lost to the city."

"These are the thoughts that I have had on this problem, and I am sure that each of you has suggestions that will prove helpful."

"This is a problem that we must face together without any consideration of past differences. I am confident that if we all approach this matter with an honest, intelligent, businesslike manner and open mind, that together we can achieve a solution that will be helpful to all concerned."

Rich, deep-grained heavy-duty VINYL gives soft... wipe clean with a damp cloth. (also available in fabric).

### Vibrates! Heats! Reclines!

Comfort beyond belief! Settle back in this Recliner. Actuator and let yourself drift into dreamy relaxation. It heats and vibrates with a flick of the switch... the three position vibrator will ease your tension. Switch on the heating heater to relieve a tired back... an aching muscle. You can lean back into your favorite hanging position. Back, seat and footrest adjust automatically to any position you desire... without handles, cranks or levers. This chair not only adds up to comfort, it's head and shoulders above others in fashion too! You'll love the slim, lean lines designed for modern living. Settle yours now in handsome decorator colors.

OCTOBER MEETING OF DEWEY AVENUE WSCS

A meeting of the Dewey Avenue United Methodist Women's Society of Christian Service took place Tuesday in the church basement. The meeting opened with singing of the theme song, "Stranger By the Sea," with the president, Mrs. Gladys Potillo, leading. Devotions were given by Mrs. Wilma Ambury. Reports were given on an Alton workshop; eight members attended. Nine members had attended the "country and western hoodlum" at a Lutheran Church.

Arrangements were made for Chuck Hileman to show pictures he took during a trip to Europe at the November meeting.

Mrs. Shirley Lane gave a book review of "Enemy in the Pew." Refreshments were served by the hostesses, Benola Billeau and Alma Davis.

Others present were Mrs. Virginia Settle, Mrs. Grace Loring, Mrs. Violet Miller, Mrs. Ruby Redman, Mrs. Virginia Kessler and Mrs. Madelon Shaw.

A special guest was Mrs. Louanna Berry of East St. Louis, mother of Mrs. Ambury, who spent Tuesday and yesterday at the Ambury home, 2138 Dewey Avenue.

A Halloween theme was used.

'GOD'S PLAN' TOPIC OF RUTH FORD CIRCLE

The Ruth Ford circle of the Second Baptist Church, 2101 Illinois Avenue, met Tuesday in the home of Mrs. Elsie Sturdevant, 2222 Adams Street.

Mrs. Nellie Lupardus opened the meeting with prayer. Mrs. Naomi Burnett was in charge of the lesson, "God's Plan of the Ages." Participating in the lesson presentation were Lena Stephens, Elaine Regan, Naomi Rongey and Alene Phillips.

Mrs. Margaret Gutton gave a call to prayer. After a business session was conducted by the circle chairman, closing prayer was offered by Dorothy Barnes.

Refreshments were served by the hostesses, who used a Halloween theme in the decorations. Others present were Evelyn Smith, Florence Paul, Ruby Mayberry, R. C. Westfall, Mrs. Springfield, Goldie Smith and Sandy Dutton.

The November meeting will be held in the home of Mrs. Ruby Mayberry, 2110 Nevada Avenue.

BEGINNER SUNBEAMS HOLD NATURE STUDY

Beginner Sunbeams of the Second Baptist Church met Sunday. A story was told of a beginner boy going to a Sunbeam meeting.

Nature objects were drawn and one group went on a nature walk. Refreshments were served to 20 children and leaders. Those serving were Mrs. Judy Lupardus, Mrs. Arlene Smith and the director, Mrs. Betty Lewis.

PRIMARY SUNBEAMS BEGIN BRAZIL STUDY

Primary Sunbeams of Second Baptist Church met Tuesday afternoon at the church. A missionary study of Brazil was begun, with the leaders, Betty and Bob Lewis, using pictures, maps and food products of that country.

For their mission action project, the members baked cookies and delivered them to a family where there has been illness. There were eight present.

A report was given on the St. Louis Cardinal baseball game the group attended last week.

Adults who assisted Stanton that night were Delbert Tripp and Ellis Herring.

Plans were presented by the members, and recorded on tape and played back by the leader. Recreation was held in the church basement following the meeting.

MISSIONARY UNION MEETS AT CHURCH

The Women's Missionary Union met at Calvary Baptist Church Monday to make plans for a Girls Auxiliary coronation.

Topic for the evening was "A Spark Catches Fire," on how to start a fire.

Mrs. Ida Kilmer led the following members in prayer: Mesdames Paula Linville, Beatrice Henry, Ruth Moser and Janice Stanton.

Plans were discussed for the GA coronation ceremony Sunday, Oct. 19, at the evening church service. Mrs. Moser is in charge of the event.

The next WMU meeting will be Nov. 3 at the church.

MISSION STUDY GROUP

Mrs. Thelma Peterson, 3222 Princeton drive, entertained members of the Ann Judson Current Mission Study Group of Third Baptist Church Tuesday evening.

Officers for the new year were installed: president, Mrs. Judith Kuhn; vice-president, Mrs. Florence Simpson; secretary-treasurer, Mrs. Alma Garrard; program chairman, Mrs. Thelma Peterson; prayer chairman, Mrs. Edna Arnold; mission action chairman, Mrs. Nanette Turner; mission study chairman, Mrs. Ruth Hopkins; and social chairman, Miss Lorenna Sherry.

A call to prayer was given by Mrs. Arnold, who included reading of an original poem, "The Harvest Field."

A week of prayer will be held Nov. 30-Dec. 7, and the recommended book for study is "The Harvest Field: How Shall They Hear?"

A dirty bag project the group has been working on has been completed and it was reported that the bags have been mailed to servicemen overseas.

The hostess served refreshments to those mentioned and Mrs. Hazel Atchison, WMU director, and Mrs. Allie Smith.

The next meeting will be Tuesday, Nov. 4, with Mrs. Ruth Hopkins at her home, 2040 State street.

Plans were made to send a birthday gift to a member of the armed forces.

FUTURE SLENDERETTES PLAN TRIP SATURDAY

Future Slenderettes met Tuesday night at the East Side Levee office here for a weekly session. Mrs. Villa Ridings, leader, opened the meeting and weights were recorded by Mrs. Christine Ersarpner.

"Queen of the week" was announced as Miss Donna Barber, youngest member of the club. She received the queen pin, a basket of fruit and a prize.

Arrangements were completed for members to meet at the home of Mrs. Muriel Byrne, Sunday morning in travel by car to Springfield, Ill., where they will attend Area Recognition Day.

Mrs. Byrne and Mrs. Diane Gonterman, a new member of the club, are to obtain corsages for the attendees. Mrs. Christine Ersarpner will prepare identification tags for the members.

A contest closed, with the winner determined to be Miss Barbee. She received a prize. Mrs. Kathy Brave led games, and the prize winner was Miss Barbee.

Coffee and tea were served by Mrs. Ridings to those named and Mesdames Peggy McGee, Janet Davis, Helen Wilson, Dorothy Barbee and Margie Fichter.

YOUTH FELLOWSHIP TO MAINTAIN LIBRARY

Debbie Bunch gave the lesson on "How Do You Feel About Cheating?" at the Sunday evening meeting of the Senior High Methodist Youth Fellowship at Nameoki United Methodist Church.

The group is planning to set up a church library that is to be taken care of by the MYF. Plans were made to go to St. Louis Blues ice hockey game in the near future. Reports were given on a Halloween party the group will hold.

Joan Bess, Marilyn Bess and Sharon Bono served popcorn and soft drinks to Ed Wynn, Bob Skaggs, Harry Smith, Cindy Lathrop and Patty Lathrop. The lesson next week will be given by Cindy Lathrop.

PEACE LUTHERAN WOMEN HONOR MRS. ORTON

The Peace Lutheran Church Women's Association held a get-acquainted party in honor of Mrs. Bobbie Orton, wife of the new pastor, Tuesday evening at the home of Mrs. Rachel Larsen, 2207 Manley Avenue.

Mrs. Glenda Kirk, president, presented Mrs. Orton with a corsage on behalf of the group.

A game was played and it was announced that a regular meeting will be held Oct. 21 at 7:30 p.m. at the church. It will be a "project night," with members bringing clothing to be repaired and then taken to the Church Women's United clothing center at the Coordinated Youth Service.

A late buffet luncheon was served to those named and Mesdames Marla Knapp, Inge Modre, Barbara Wright, Sandy Latimer, Doris Walsh, Inge Frandsen, Kay Hall, Melba Gustafson, Faye Dyer, Mary Metzger, Norma Burris, Mary Fellner, Joyce Lawson, Carol Gendron and Tammy Quick and Miss Helen Phoenix.

BIRTHDAY PARTY

Mrs. Ida Cassel was guest of honor at a surprise birthday dinner Sunday at the home of her nephew and niece, Mr. and Mrs. Edward Laub and children, William, Steve and Mathew, who reside at 3278 Westchester drive.

Birthday gifts were presented.

ed to Mrs. Cassel, and a dinner was served to Mr. and Mrs. Harold Brown and daughter, Sandra, Mr. and Mrs. James Williams Jr. and children, Barbara, Glen and June, Mrs. Emma Hubler and Buzz Prada.

Mrs. Cassel grew up on a farm near Steelville, Ill., and came to Granite City as a young girl.

WOMEN'S MISSIONARY SOCIETY LUNCHEON

Mrs. June Rasmussen, president, presided at the Tuesday morning meeting of the Women's Missionary Society at Third Baptist Church.

The morning's program, "A Spark Catches Fire," was presented by Mrs. Allie Smith, Mrs. Hazel Atchison and Mrs. Doris Curmatt.

Plans were made for the two current mission groups to combine for a book study at the church Nov. 18 at 10 a.m.

The meeting closed with reading in union of the first verse of "Breathe On Me."

A pot luck luncheon was served, with members of the Helen Ambert circle serving as hostesses.

ATTEND REGIONAL BRIDGE MEETING

The regular Sunday night meeting of the Granite City District Bridge club was not held this week due to special games being held in Belleville.

Members attending the annual meeting of the Southern Illinois and Paducah, Ky., Unit, American Contract Bridge League, held at Augustus, were Mr. and Mrs. Elmer Branding, Mrs. Muriel Dressel, Mrs. Betty Caldwell, Mrs. Helen Meyer and Fred Nieman.

Mrs. Meyer and Neilman placed third in Sunday afternoon games.

The Granite City club will meet Sunday evening at the Elks club.

CHRISTENING OF KATHLEEN GROBOSKI

Kathleen Elizabeth Grobowski, infant daughter of Mr. and Mrs. Joseph Grobowski, 18 Snowbird lane, was christened at ceremonies at St. Elizabeth Catholic Church at 1:30 p.m. Sunday, Fr. Virgil Mank officiated.

Godparents were John Grobowski, brother of the child's father, and Mrs. Doris McFall, sister of the infant's mother.

Mr. and Mrs. Grobowski entertained at a buffet dinner held in their home immediately following the church services.

Present were the maternal grandparents, Mr. and Mrs. Joseph Dallas; paternal grandparents, Mr. and Mrs. John W. Grobowski (this is their first grandchild); and Mr. and Mrs. Gary McFall and children, Cynthia and Gary, Mr. and Mrs. Patrick Doyle and children, Maureen and Patrick, Miss Norma Dallas, Paul K. Grobowski Jr. and Mrs. John A. Grobowski.

MISSION PRAYER GROUP LUNCHEON MEETING

The Mission Prayer Group of First Baptist Church met Tuesday morning at the home of Mrs. Thelma Christian, 2008 Iowa street.

Mrs. Virginia Head opened the meeting with reading of the prayer calendar and prayer list.

The morning's devotional, "Being a Better Witness to the Elderly and Shut Ins," was given by Mrs. Pauline Harp.

Mrs. Fern Afolter read missionaries of the day.

The hostess served a noon luncheon. The table was covered with a white linen cloth and autumn flowers were used as centerpiece.

Others attending were Rev. and Mrs. George Sager—he is a former local pastor and they are passing through Granite City on their way home to Greenville, Tex.—Mrs. Maureen Cox and daughter, Jeannie, Mrs. Lee Willis, Mrs. Dolores Carson and Mrs. (Blanche) Butler, mother-in-law of the hostess.

Mrs. Willis has invited the church group to her home, 374 Westchester drive, for a meeting next Tuesday.

MRS. CRADDOCK AT MEETING IN CANADA

Mrs. Frances Craddock has been selected to represent the Christian Church (Disciples of Christ) at the Consultation on Church Union yesterday and today in Toronto, Canada.

Wife of Rev. James R. Craddock, pastor of Central Christian Church, 2008 Johnson road, she plans to stop in Cleveland, O., and visit their daughter and her family on the return trip.

AMBASSADORS MEET

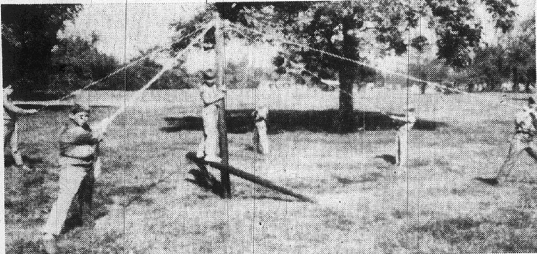

Royal Ambassadors of Calvary Baptist Church met with their leader, Robert Stanton, Monday night at the church.

Mike Blanter opened the meeting with prayer, and Stanton directed the boys on work from their manual, "Crusader," in preparation for badge work.

The new Strippers are Cindy Mathews, Sandra Jones, Debi Watkins, Rose Marie Jaime, Je Anne Metz, Lynn Arbeiter, Pam Cruse, Nancy Pinney, Vicki McFain, Linda Hambling, Rosemary Timmons, Tanya Mowery, Barbara Russell, Jaime Jones and Bev Francis, Roger Gibson, Mike Jakich, Mike Hall, Tommy Mooshegan and Mike Scaturro.

**HOMEcoming QUEEN**, Miss Debbie Seebold, smiles radiantly as she receives the crown of office from Miss Nina Caschetta, 1969 May Queen, at last night's Homecoming pageant at the local high school. An approving smile is registered by Mike Loftus, president of the GCHS Student Body, who served as official escort.

## Miss Debbie Seebold Named Homecoming Queen at GCHS

Miss Debbie Seebold was crowned Homecoming Queen in ceremonies last evening at Granite City high school which highlighted the traditional Homecoming pageant held in the auditorium. A capacity crowd viewed the proceedings.

This year's last moving Homecoming production, based on the television "Laugh-In" series, and the crowning of Miss Seebold will be repeated at 8 p.m. today.

A senior at the local high school, Miss Seebold is the daughter of Mr. and Mrs. Otto Seebold of 23 Paul drive. She was conferred the honor through selection by ballot over nine other candidates.

Chosen to escort the new queen was Mike Loftus, president of the high school student body, also selected by vote of the entire student population.

Miss Seebold received the crown of office from Miss Nina Caschetta, the 1969 May Queen. Formal pages were Barbara Azari and Diane Niebur and accompanying pages, Prima Nochi and Darla Sneed.

The procession was played by the Granite City high school band, directed by Louis E. Meek.

An avalanche of visual gags,

many characters and rapid-fire lines set the pace for the 1969 Homecoming variety production, presented by 168 advanced speech students. The script for the student "Laugh-In" show was written by the same group of writers which prepares the weekly television series.

Four musical numbers were well received, "If You Go Away," by Janice James, "By the Time I Get to Phoenix," by Dan Conway, "Blowin' in the Wind," by Sara Slattery; and "Aquarius," conceived by Nancy Sternberg, who served as co-director of the show with Richard King, speech department.

The program was opened by Loftus, who welcomed alumni in behalf of the school, with Richard Blumenstock, Class of 1965, offering the response. Miss Candy Jones, Class of 1967, will respond to the welcoming speech this evening.

Balloting for Homecoming Queen was conducted last week by the high school's entire student body from the list of ten candidates.

Other seniors nominated for the all-school honor were: Miss Kathy Arbeiter, daughter of Mr. and Mrs. Charles Arbeiter, 2443 State street; Miss Cheryl Brinkmeyer, daughter of Mr. and Mrs. John Brinkmeyer, 1824 Ferguson avenue; Miss Beverly Frazier, daughter of Mr. and Mrs. Arthur Frazier, 2126 Garfield avenue.

Miss Janice James, daughter of Mr. and Mrs. Robert James, 3250 Westchester drive; Miss Jaimee Louis, daughter of Mr. and Mrs. James Louis, 2335 Pontoon road; Miss Pamela Peters, daughter of Mr. and Mrs. Carl Peters, 3001 Fehle road; Miss Nancy Sternberg, daughter of Mr. and Mrs. Gene Sternberg, 2622 Cleveland blvd.; Miss Becky Thomson, daughter of Mr. and Mrs. Ewing Thomson, 4525 Evergreen drive; and Miss Lynette Ward, daughter of Mr. and Mrs. John Kravynak, 2592 Waterman avenue.

Also nominated as escorts were Rick Cardwell, Stan Corey, Mike Cowmore, Dave Evans, Randy Fowler, Jim Greenwood, Steve Harris, Hank Henderson, Dan James, Rick Lesco, Frank Mehell, Dave Melzer, Roger Miller, Jerry Monahan, Ralph Rojas, Ron Simpson, Dan Suich, Rick Talley and Scott Wilson.

Chosen the most elaborate float in the 1969 Homecoming Parade, held at 4:30 p.m. Tuesday, was the entry arranged by the Red Peppers Club, the local high school's cheering and rooting section. The Rock Club's float was selected runner-up.

Adding momentum to the week's activities will be lighting the giant bonfire, combined with a pep rally at 6:30 p.m. today at Wilson Park. The traditional rally, sponsored by the Student Council, will be supervised by Ruth Neeth.

A football game, between Granite City and Wood River, will mark the Homecoming plans on Friday night. Gridiron fans attending the contest will be treated to a half-time spectacular, featuring the Granite City high school marching band, under the direction of Drum Major Dennis Gillie.

The musical presentation this year will spotlight television commercials and popular songs in a show entitled "Word of the Sponsor." As an added attraction, the Warrior cheerleaders will perform the "Tea-berry Shuffle," while the 126-member band plays the famous Herb Alpert hit, "Mexican Shuffle."

Intermission entertainment has been arranged by Louis Meek, band director and Joseph Owens, assistant director.

## Teens Complete ALSAC Children's Campaign

By MARY PHILLIP

If you had your doorbell rung by those pesky teenagers again this year, you know that the ALSAC marchers have struck once more.

Each year two local teen radio stations sponsor the march for Danny Thomas and St. Jude Children's Hospital in Memphis, Tenn.

The reward teenagers receive is a ticket to an ALSAC concert to be held some time in November. Well-known artists are asked to donate their time in presenting performances in tribute to Danny Thomas and the people who work so hard.

All money collected goes directly to St. Jude's Hospital. It is used for research and for

## Venice Delegation at Methodist Youth Day

All roads led to the Illinois Wesleyan University campus at Bloomington Oct. 4 for more than 200 high school students and youth leaders from 152 United Methodist churches around the state. Included were eight Venice First United Methodist Church youths.

The occasion was the 12th annual Methodist Youth Day, which gave the young people an opportunity to become better acquainted with college life. While on campus they toured various buildings, enjoyed music by a combo, ate lunch and attended a pep rally before the football game against Millikin University.

## U.S. Air Force Needs Women for Vital Jobs

Young women are needed to fill vital jobs in the U.S. Air Force, including some so unique and new that no comparable job can be found in the civilian job force.

Many jobs formerly restricted to men are now available to women, and women members of the Air Force now may request an assignment overseas.

Women in the Air Force receive fringe benefits at 30 days paid vacation each year, beginning with the first day of active duty; free medical and dental care; free education assistance; free housing and food or a paid allowance when they are not available on base; clothing and a clothing maintenance allowance.

Full information may be obtained by contacting M/Sgt. Bill Keith at the recruiting office in East St. Louis.

## Police Explorer Post Being Formed in Madison

The Madison Lions Club and police department are co-sponsoring a new Explorer post specializing in the study of law enforcement.

It is the first law enforcement specialty post in the entire metropolitan area, and plans have been under way for the past four months.

Coordinating the planning between the Lions, police and Boy Scouts is Lion Mick Strange, an active member of the National Council on Crime and Delinquency and the American Correctional Association. He is a detective sergeant with the St. Louis Police Department.

Members of District 5 of the post are: District sponsor a similar Explorer post.

The official number of the post is 104 and pronounced "ten-four" which is the police code for "message understood."

The purpose of the post is to help interested teenage boys better understand the functions of the police.

## College Students May Enlist for OCS School

College students with at least 60 semester hours can enlist in the Army for officer candidate school, according to Sgt. Morris L. Cook, local recruiter.

The new program allows young men with either 60 semester, 60 trimester or 90 quarter semester hours of unduplicated college level studies to enlist in the new program.

Total training period is about 10 1/2 months. After receiving a commission, the remaining active duty obligation is 24 months. Full information may be obtained from Sgt. Cook.

LAW ENFORCEMENT EXPLORER POST being planned by Madison police and the Lions Club with the help of St. Louis police district 5. They are, left to right, seated—Matt Ozanich, Lions president, and Tom Carroll and Earl Bostick of St. Louis, and standing, Police Chief Emmett Pazia, Explorer Capt. Roy Jochemstahler and Mick Strange of St. Louis and Patrolman Don Briddick.

## MHS Activities Surge With New School Spirit

By GAIL DANDRIDGE and LINDA SOLES

Madison high school is really on the ball with this year's new spirit they have. The spirit has contributed to many new ideas at MHS.

As a result, the football team has worked and played wonders on the gridiron. Friday night the Trojans trampled the Triad Knights 26-6. Tomorrow night Mater Dei of Breese will play host to the Trojans at 8 p.m. It will be Mater Dei's Homecoming night.

The MHS Pep Club is cheering louder and stronger than ever. The club has two new officers: Virgil Jefferson, president, and Dale Lewis, vice-president. Other officers will be elected today. The club also has some new green and white hatted vests which will be worn at the games.

**Newspaper Workshop**  
The staff of the school newspaper, the Trojan Flashes, at a fall editor adviser workshop last Saturday in the agriculture building at Southern Illinois University in Carbondale.

The staff members enjoyed the courses and learned many ideas which will help them write, edit and lay out the Trojan Flashes.

On the staff are Janis Stewart, editor; Gail Dandridge, as-

sociate editor; Linda Soles, associate editor; Vann Ford, layout editor; James Gardner Jr., layout editor; Joycelyn Gardner, feature editor; Brenda Ervin, feature editor; Jim Hill, art editor; Piper Dandridge, senior typist; Tony Young, senior typist; Jon Gardner, junior typist; Virgil Jefferson, La Fan Smiley, Phyllis Boyd, Ava Mallet, Agnes Hughes, Willie Watts, Eugenia Griggs, Deborah Powers and Felicia Hughes, reporters.

**30 Cars Washed**  
The Latin Club had a car wash Saturday to raise money for activities later in the semester. A total of about 30 cars was washed.

The six weeks period will end tomorrow. The honor roll will be printed in this column Oct. 23 and in the Trojan Flashes Oct. 17.

The MHS counseling department is preparing to administer the PSAT (Preliminary Scholastic Aptitude Test) on Oct. 21. Scholarships are available as a result of the test.

It also is the practice test to the SAT (Senior Aptitude Test) which is an entrance requirement to some colleges.

## Czechoslovak Rocks Arrive on Campus Here

One hundred pounds of Czechoslovakian rocks have finally arrived at Southern Illinois University-Southwestern campus.

The collection was made by Prof. Dorothy Gore more than a year ago when she was attending the 23rd session of the International Geological Congress in Prague.

Now that the rocks are on campus Prof. Gore plans to label them and add them to the university's collection for scientific study and display. They will be exhibited in cases in the hallway outside Room 1215, Science building, starting Friday. The exhibit will be maintained through the Science and Technology Division open house for high school students Nov. 8 and Parent's Day on Nov. 9.

## Homecoming at Eastern Planned for Nov. 1

One hundred forty-three units, including 32 bands, are expected to take part in the Eastern Illinois University Homecoming parade Nov. 1.

The parade will begin at 8:30 a.m. and follow a route through the Charleston business district, returning to the campus.

The Saturday parade, a football game with Western Illinois University in the afternoon and the annual coronation ball in the evening will climax the University's Homecoming observance.

## Younger Dropouts Now May Take GED Tests

Legislation to extend to more than 30,000 previously ineligible high school dropouts a program under which they can receive certificates equivalent to high school diplomas has been signed by Gov. Ogilvie.

He signed House Bill 530 which lowers from 21 to 19 years the minimum age for seeking certificates.

According to Ray Page, state superintendent of public instruction, the legislation will open up opportunities for continuing education and career commitments to those previously denied access to the General Educational Development program.

## GC Musician Plays With MacMurray Band

Janice J. Seymour, daughter of Mr. and Mrs. Lloyd Seymour, 3404 Lydia lane, is a member of the MacMurray College band which is preparing its first concert on Saturday during Homecoming weekend.

Several concert programs are planned, including a Parents Weekend Concert Nov. 1 and a concert at the Illinois Braille and Sight-Saving school Jan. 17. A spring concert tour also is planned.

## Ogilvie Signs Bills On Campus Controls

Four legislative measures aimed at curbing campus disorder have been signed by Governor Ogilvie, but five others were vetoed in what the governor said was an attempt to "make clear a consistent pattern of guidelines for the conduct of students, university administrators and law enforcement officials in this state."

Bills approved by the governor included one that will cut off state scholarships to students who participate in disturbances and use means "which are not protected by the constitutions of Illinois and the United States."

The law provides that the school administration shall decide what constitutes such participation. It requires that students be notified and given a hearing before they lose financial assistance.

The governor also signed a measure making it a misdemeanor if students "through force or violence, actual or threatened," interfere with operations of any college or university and approved another that defines the applicability to campuses of criminal code provisions on property damage, trespass, arson and use of firearms.

Under still another bill approved by the governor, state institutions must file a policy statement on student demonstrations with the governor and the Board of Higher Education.

## U.S. Army Offers Aid To Nursing Students

Qualified student nurses are being offered financial assistance while completing school and an opportunity for appointment in the Army Nurse Corps, Capt. Virginia Anderson, counselor at the Army recruiting station in St. Louis, announced today.

The demand for Army nurses is increasing because of casualties in Vietnam and as standards of medical care improve, she said.

The program is offered to qualified men and women student nurses in accredited three-year diploma schools and in four-year baccalaureate nursing programs. Further information may be obtained from Sgt. Morris L. Cook, local recruiter.

## Schwager Gets Shell Scholarship at Rolla

John L. Schwager, son of Mr. and Mrs. George Schwager, 2467 Waterman avenue, is attending the University of Missouri-Rolla this semester on a Shell Oil Co. scholarship.

He is a petroleum engineering student, has consistently appeared on the honor list and has been a recipient of a Curators Award.

He belongs to the Phi Eta Sigma, Phi Epsilon Tau and Kappa Mu Epsilon honoraries, the Society of Petroleum Engineers, Forensic Society and Sigma Nu social fraternity.

## Classroom Utilization High At SIU-Carbondale Campus

Classrooms at Southern Illinois University at Carbondale are utilized an average of 42 hours per week according to a 1968-1969 space survey made for the Illinois Board of Higher Education.

Rino Bianchi, assistant to the president, who compiled the survey, said this utilization is remarkably high. He explained

that previous space surveys have revealed that SIU has the least number of square feet of classroom space per student of all the Illinois state-supported higher education institutions, but the highest utilization of available space.

Taking five months to compile, the 1968-1969 space survey showed classroom being used an average of four hours per week more than the previous year, 12 hours more than the state requirement. To achieve such a high classroom utilization, SIU conducts classes from 8 a.m. till 10 p.m. every weekday, and from 8 a.m. till noon on Saturday.

Presently under construction on the Carbondale campus are three buildings which will provide additional classroom space. The survey also revealed that there is not as much office space at the state recommends.

The state figure is 135 net assignable square feet (NASF) for each full-time employee, and SIU at Carbondale averages 98.79 NASF.

The survey was conducted for the Illinois Board of Higher Education in all public senior institutions in the state of Illinois. Data will be consolidated and sent to the U.S. Office of Education in Washington where it will be tabulated with data from all the states.

The federal government will use the data in dealing with problems concerning distribution of federal funds to colleges and universities for research, construction and equipment, Bianchi said.

Part of a continuing series of studies relating to physical facilities, the survey covered the academic year beginning Sept. 1968. SIU has been conducting similar surveys for 12 years, and the state has utilized these reports since 1960.

## SIU Plans to Restore 'Old Main' Building

Restoration of the first floor of Southern Illinois University's fire-gutted Old Main building and erection of an obelisk representing the tower is being considered by SIU's architectural board of consultants at Carbondale.

The proposal is the work of board member Charles Moore, chairman of the Yale University department of architecture.

What final form the proposal takes would be subject to approval by SIU's trustees.

The restored portion would be linked by low-profile "umbilical" buildings to Wheeler Hall, Allyn art building and Alfigel hall music building.

Old Main's new roof would be a large terraced and landscaped plaza dominated by the obelisk, which would be as high as the original Old Main tower and would incorporate symbolic designs reminiscent of the old one.

The tower section crashed to the ground in flames and rubble shortly after a June 8 fire broke out on Old Main's third floor, ultimately destroying the landmark building. Investigators said the blaze was set deliberately and a search for the arsonist is still under way.

## Water Works Awards Offered Area Seniors

American Water Works Foundation scholarships will be offered again this year. It was announced today by J. G. Carns jr., vice-president and manager of East St. Louis and Interurban Water Co.

The scholarship program, in effect since 1961, is supported by 69 American Water Works System companies serving more than 4,600,000 residents of 500 community areas in 19 states, including the local water utility.

A total of 91 scholarships have been awarded.

The scholarship competition is open to high school seniors whose place of residence is served by the water company and to dependent children of water company employees. At least eight scholarships are awarded each year. The awards range from \$250 to \$1250 a year, depending on the financial need of the student.

Educational Testing Service, Princeton, N. J., supervises the program. Winners are selected by an independent scholarship committee of educators from the field of higher education. Details and application blanks are available at high schools in the area.

## 30 Associate Degrees Now Offered at SIU's VTI

Thirty college-level programs leading to associate degrees which may be earned in two years are offered by Southern Illinois University's Vocational Technical Institute, according to a VTI catalog for 1969-70, now available from University Central Publications.

The institute's programs are designed to qualify students for employment at the semi-professional and technical level in industry, the allied health occupations and business. They are open to high school graduates.

Specialized fields of training for the three degrees which are offered are of a wide variety and include the following:

For the Associate in Art degree: commercial art, corrections and law enforcement (law enforcement, institutional service and community services), dental hygiene, library and audio-visual technical assistants and physical therapy assistants.

For the Associate in Business degree: accounting, cooperative marketing, electronic data processing, executive secretarial, legal secretarial and medical secretarial.

National Merit Honors  
Won by Miss Dunn

Mary Ellen Dunn, a senior at Xavier high school in St. Louis, is one of eight seniors there who received letters of commendation for high performance on the 1969 National Merit Scholarship Qualifying Test.

They are among 39,000 students in the U.S. who scored in the upper two per cent of those who are expected to graduate from high school in 1970. They rank just below the 15,000 semi-finalists announced last month.

Their names are referred to scholarship-granting agencies and to colleges they named as their first and second choices when they took the NMQST last February.

Miss Dunn is the daughter of Mr. and Mrs. Eymon W. Dunn of 3336 Johnson road.

## 5-Ton 'Night Time' Load Limit Set For W. 20th St.

An ordinance setting a five-ton load limit on West 20th street from Rock road west to the city limits between 7 p.m. to 7 a.m. each day was approved Monday night by Granite City council members.

Another ordinance establishes a full-time five-ton load limit on Circle drive between Nameoki drive and 27th place and from 28th place to Nameoki drive in North Granite.

In urging adoption of the night time load limit on West 20th street, Alderman Nunn said heavy truck traffic to the canal harbor is disturbing the residents. "This is only a temporary measure until the new highway is open to traffic," he added. The limit was opposed only by Alderman Jarrett.

The Circle drive load limit leaves open an alley for concrete trucks of Reeves Concrete Co., and Alderman Boker repeated his warning of dangers to children and elderly people in vicinity of the alley.

Alderman Green stated the load limit is needed to keep streets in North Granite in good condition. "This is what the people want, and they are aware of the problems. We've spent a lot of money to keep up the streets and improve them, and this ordinance will keep them in proper condition."

The Circle drive load limit was opposed by Aldermen Whitmer, Dawes, Jarrett and Boker.

### More Stop Signs

In other action pertaining to traffic, the council adopted ordinance to place stop signs on Denver street and Nevada avenue and on Indiana avenue at St. Paul avenue.

With the theft of school stop signs on State street at 29th street, near Niedringhaus school, a request was made for preparation of an ordinance for installation of permanent stop signs to halt State street traffic. Alderman Rutledge pointed out the city is aware that turnable school stop signs have been ruled illegal, and that permanent stops are needed to protect school children.

Another request was for a no parking zone Monday through Friday on 13th street from Rhoads street to Edwardville road. Nunn said vehicles are parking near a garage there, forcing pedestrians to walk in the street.

## Evangelistic Campaign To Begin at Trinity

A fall evangelistic campaign will begin Sunday at Trinity United Methodist Church, East 25th and Henry streets, and continue, through Friday evening, Oct. 17. Evening services begin at 7:30 and the morning service Sunday will be at 10:40.

The speaker will be Dr. R. A. Lippman, minister of the First Methodist Church, Centralia, Ill. Dr. Lippman has preached at revivals, camp meetings, retreats and youth institutes in most of the areas of the United States. He has served for 27 years as a pastor in the Southern Illinois Conference of the Methodist Church.

He is a native of California and was educated at the University of California, Ashbury College and Ashbury Theological university religious conferences Seminary. He has worked in several areas, but chiefly on the west coast. Dr. Lippman was awarded a honorary Doctor of Divinity degree in 1968 by Ashbury College.

Rev. Clair Clark, minister of Trinity Church, and Gilbert Robelf, chairman of evangelism work, invited the public to attend. A nursery will be provided for the children.

## Rail Crossing Repairs Sought

Another appeal for repairs to railroad crossings in the city was made during Monday night's Granite City council session by Alderman Claude Green.

He said the crossings at 20th street and 22nd street were almost impassable and that repairs should be carried out before the winter weather.

Mayor Parney said he had notified railroads of the repair request two weeks ago when Green presented a similar complaint. "It takes time for repairs, but I'll notify them again," the mayor said.

Green added that Union Division of Miles Laboratories had repaired its crossings. A continued study of the development of a new drainage problem south of East Pontoon road opposite Cloverview subdivision was urged by Alderman Boker, who said the natural flow of drainage to the Amos avenue storm water line may be lost with construction of new homes.

City Atty. Scroggins was asked to study the legal procedures and to present a report to the council. He suggested the council install a drainage line, but Boker pointed out the lack of funds for such a project.

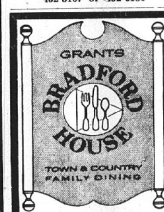

Alderman Boyd, chairman of the Street committee, reported the city's 13-year-old street sweeper had broken down. The committee is to determine if the machine can be repaired and secure cost estimates.

## Supervisors Workshop Program Set Tomorrow

A supervisors workshop will be presented tomorrow by the National Alliance of Businessmen as part of its program of specialized training offered to industries and businesses interested in increasing the effectiveness of their supervisory and disadvantaged employees, it was announced today.

The workshop will begin at 9 a.m. and continue until 5 p.m. in the main dining room of the Sunset Hill Holiday Inn. Lester J. Sontag of the training staff of the Alton plant of Olin Corp. will serve as instructor at the program. William F. Hoelcher, manager-secretary of the Manufacturers Association of the Tri-Cities, said reservations may be made with his office. The program will be limited to 42 participants.

## City Oks Annexation Of Home on Norwood

An ordinance for annexation of the home of A. Harold Mason, 1408 Norwood drive, was approved Monday night by Granite City council members. Mason represented the Mason presented the request to the city to obtain fire protection.

Another request for annexation, presented to the council by Carl R. Fletcher, 2504 Pine street, was referred to the City Plan Commission for recommendation. The request was made to secure a sanitary sewer connection.

Also referred to the Plan Commission was a request for a zoning change from R-3 residential to C-1 commercial for operation of a beauty shop at 2401 Madison avenue. The request was presented to the council by Barbara Lopez. Emmett Clemens' request for a special use permit to operate an insurance office in a residence at 3811 Nameoki road was referred to the Plan Commission.

Accepted by the council was a recommendation by the Zoning Board of Appeals for a side lot variance for G. H. Sternberg Co. to erect an addition to the firm's office at 1609 Delmar avenue. The addition would be three feet from the line instead of five feet required in an M-1 zone.

## Price Cited for Aiding Water Pollution Fight

Cong. Melvin Price (D-East St. Louis) has been cited by the National Wildlife Federation for his support of the fight for a full \$1 billion appropriation for water pollution control. Price announced his support two weeks ago of amendments to the Public Works Appropriation bill restoring cuts in funds vital to the national control program.

Federation Executive Director Thomas Kimball wrote Price commending him for his efforts in the fight for clean water. Cong. Price indicated that prospects for overriding the administration's recommendation of only \$214 million "look good." It was reported that a clear majority in the House supports the \$1 billion appropriation.

## ☆ SOCIETY ☆

### Guilds Hold Joint Meeting

Members of the Evening Guild of St. Peter United Church of Christ were entertained Monday evening by the Evening Guild of St. John Church. About 60 members of the two groups were present.

Devotions were in charge of the fellowship committee, Mrs. Karmyn Wagner, Mrs. Marcela Epping, Mrs. Dorothea Rivenburgh, Mrs. Jo Chinn and Mrs. Joyce Schrader.

The speaker was Gene Sternberg. His topic was "Being the Good News."

Separate business sessions were conducted by the two presidents, Mrs. Pat Schulte of the hostess group, and Mrs. Georgia Boettger of St. Peter's, and both guilds contributed to the United Fund.

Five new members were enrolled in St. John's Guild. They are Mrs. Judy Owens, Mrs. Martha Lane, Mrs. Jerry Scheib, Miss Carol Luer and Miss Karen Schieb. Plans were made by the hostess group to serve a luncheon for retired teachers, Oct. 18, and on Oct. 30 the luncheon for District Five, Garden Clubs. The Community Day services will take place Nov. 7 at the Madison Presbyterian Church.

The meeting closed with the Fellowship of the Least Coin service, and refreshments were served. The tables were decorated with clocks to carry out the theme of the Guilds for the year, "Good News, Now is the Time."

Slides were shown of all projects of Church Women United during the past year.

## Legion District Meets Here to Plan Events

The 22nd District fall caucus of the American Legion Post 113 with District Commander John Thoburn in charge.

Among the guests were Fifth Division Commander Charles Veach, assistant department adjutant for Illinois, Robert Guinoley; Senior District Vice-Commander Robert Douglas; and Junior Vice-chairman Harry Jablonski.

Committee reports were given, and the chairman of the membership announced that 41 cards had been turned in designating that number of members had paid dues for the coming year.

An announcement was made of a dance to be given on Saturday, Oct. 25, at Dippo, Ill., with the proceeds to be sent to The Haven, a veteran recreation center on Crab Orchard Lake in Illinois.

A committee was appointed to investigate admission complaints at John Cochran Hospital in St. Louis.

Also announced was the forthcoming membership drive to take place Nov. 10 throughout the 22nd district.

The Nov. 11 parades were reported that three will take place, one in Belleville in the morning, an East St. Louis parade in the afternoon and an evening parade in Edwardsville.

The Women's Auxiliary served a luncheon to about 50 members.

The next district caucus will be Jan. 11 in Fairmont City.

## Area Births Exceed Deaths by 3 to 1

Quad-City area births during September exceeded the number of area deaths by a three-to-one ratio, according to vital statistics announced by Homer Pendleton, city clerk.

Pendleton said a total of 106 deaths was reported in the Quad-Cities during September, compared to 37 deaths. Three fetal deaths occurred.

The September statistics increased to 878 the number of births during the nine-month period, compared to 789 for the same period of 1968, and to 949 the total number of area deaths so far this year, compared to 332 for the like period of last year.

A total of 13 stillbirths have been reported so far, compared to only seven during the nine-month period of 1968.

## Press-Record's... YULE MAIL CALL (Clip and Save)

Quad-City servicemen and women stationed around the world, whose names and addresses are being published in each issue of the Press-Record as a special pre-Christmas public service. It is suggested that readers clip-out and retain the lists as they appear.

Local residents are invited to include the servicemen on their Christmas mailing list and send greeting cards, letters or packages, thereby helping to brighten the coming holiday season for military personnel who are a way from their homes and families. Early mailing is recommended.

Damage was minor.

Page said several hundred programs of vocational and technical education are in operation in Illinois and include programs in agriculture, health occupations, home economics, technical education, distributive education, office education, trades and industry and other fields. In addition to these programs, reimbursement also is provided for directors of some local programs.

He said vocational and technical education programs are increasing through both added federal and state support, but much more must be done to meet manpower shortages in skilled and technical occupations and the problems youth are facing in seeking employment.

No Need of Fuel Tax Loan, Governor Says The Illinois state administration will not borrow an additional \$30 million from motor fuel tax fund authorized in 1968, Gov. Ogilvie has announced.

The governor said "prudent management and tight controls have enabled us to avoid this fiscal last resort."

A preliminary review of results of the rigid austerity program initiated early this year indicates savings will exceed 10% of biennial appropriations set as a target by Ogilvie.

In 1968 the General Assembly authorized the governor to borrow up to \$60 million in motor fuel tax funds to meet the revenue squeeze caused by inviolation of some tax measures passed in the 1967 session.

Former Gov. Samuel Shapiro borrowed the first \$30 million of the sum last fall.

## First 'Yule Mail Call' List Appears in Today's Issue

The initial list of "Yule Mail Call" names and addresses appears in today's issue.

To guarantee mail delivery in time for the Christmas holidays, relatives and friends of Quad-City servicemen and women are reminded to submit their names and addresses to the Press-Record as soon as possible for inclusion in the fourth annual "Yule Mail Call" project.

Additional lists will be published in each edition of the newspaper as information becomes available. It is suggested that readers clip-out and retain the lists as they are published.

Those submitting military personnel's names and addresses to the pre-Christmas service are asked to send the details by letter or postcard, or bring the written information to the Press-Record, 5518 Delmar avenue.

To ensure accuracy, it is important to list the serviceman's name, rank, serial number and full address, including APO or FPO when applicable. The area

of service may be noted in parenthesis following the address, if desired.

Church and service groups, former employers and other individuals also are invited to provide the serviceman or woman's name. To avoid duplication, all those submitted will be compiled and revised.

The Department of Defense and the Post Office Department recently announced the following deadlines for overseas Christmas mail:

Regular mail over five pounds, not later than Nov. 8; space available mail under five pounds, to include greeting cards, not later than Nov. 30; parcel airmail mail, not later than Nov. 23; and regular airmail of all weights, not later than Dec. 15.

Plans have not yet been announced for the air-lifting of gifts to servicemen in Vietnam, as sponsored by the Defense Department in previous years.

The Press-Record's listing is open to all military personnel stationed overseas and at home. In the past three years, more than 1700 names and full addresses of local servicemen have been published prior to the Yule holidays.

Persons contributing a name to the list are asked to identify themselves on the postal card and, in the event verification of complex unit numbers is necessary.

## Township Costs Total \$9580

Township disbursements to taxing \$8580 were approved Monday night by Granite City council members in a town board meeting that preceded the regular city council session. Of the total, \$6362 was for relief and \$3218 for town purposes.

In the brief town board meeting, the aldermen also accepted the monthly financial report for September, submitted by Supervisor Nelson Hagauer.

The report showed a balance of \$10,368 in the general assistance fund along with a \$25,000 time saving certificate, with disbursements in September amounting to \$11,454. In the town fund, total September disbursements were \$2559, leaving a balance of \$904.

In the Illinois Municipal Retirement Fund, the Sept. 30 balance was \$4613, with disbursements amounting to \$318.

## Area Folk Guitarists To Play at McKendree

Dann Hornberger, a folk guitarist and composer, will appear in informal concert at 8 p.m. Wednesday, Oct. 15, at "The D.M.Z.," a student-faculty coffeehouse on the campus of McKendree College, Lebanon, Ill.

Hornberger, a former local resident who now lives in Belleville, continues to work with several youth groups in the Quad-City area. He is a member of the Granite City Jaycees, and previously has performed concerts at the University of California at Berkeley and the University of Colorado.

## Madison Schools Given \$106,634 Title I Grant

The Madison school district has received a grant of \$106,634 to conduct Title I projects, it was announced today by Ray Page, superintendent of public instruction.

The projects include remedial reading, teaching of English as a second language, counseling, psychological and health services, shop skills for boys and arithmetic.

Page said that 28 Title I projects have been approved for Illinois schools amounting to \$888,663, and a total grant, including \$1,600,694 for East St. Louis schools, amounts to \$2,389,327.

## Union to Bargain For City Hall Office Workers

Designation of the Service Employees Union, Local 98, to represent office workers at the city hall was announced during Monday night's Granite City council session.

In a letter from Ross Loughmiller, election agent for the Illinois Department of Labor, the council was advised that 13 office workers had voted in a recent election and the vote was nine for the union as a bargaining agent and four for no union.

The city hall workers have not been represented by any union in the past. Council members placed the letter on file.

Continued on Monday night was the dispute over the need for yearly physical examinations for crossing guards with no agreement reached on any changes.

**Legal Opinion Sought**  
Alderman Robertson called for a legal opinion from the city attorney on the requirement and said he had been unable to find any set policy.

Partney replied he had discussed the guard physical exam requirements "for the past month and I won't spend any more time on it. If you want the present insurance cancelled, go ahead and then get into a self-insure program that will be more costly."

Morlen and Robertson said they interpreted the insurance ordinance to require examinations only for full-time employees — those working 40 hours a week. Former Alderman Fry, who was in the audience and who was chairman of the former Personnel committee, was called upon to recall the insurance program. He and Alderman Rutledge pointed out that Morlen and Robertson were referred to the hospitaliza-

## GC Youth, 17, Fined, Sentenced to 3 Days

Bill Johnson, 17, of 1717 Edison avenue, pleaded guilty before Magistrate William Johnson Monday afternoon and was sentenced to the Madison county jail for three days on a charge of driving without a license and was fined \$40 on a charge of reckless driving. He is to work out the fine.

A passenger in his auto, Gary Sidwell, 19, no address listed, pleaded not guilty to a disorderly conduct charge and a hearing was set for Nov. 3. Cash bail was set at \$25.

tion insurance program rather than the workmen's compensation policy.

**Holiday Pay**  
Alderman Green called for crossing guards to be paid for the Labor Day holiday, but withdrew the motion after several aldermen pointed out that schools were not in session before and after Labor Day due to a teacher union-school district contract dispute.

Permission was given by a police department juvenile officer, William Harris, to attend a Narcotics and Dangerous Drugs seminar Nov. 57 at Marion, Ill., sponsored by the Illinois Youth Commission and several state agencies. In requesting a \$78 expense allowance for the officer, Chief Voizer said the department is becoming more in need of trained personnel in this field.

In miscellaneous business, the council awarded contracts for purchase of fire hose and for floor tile and venetian blinds for the treasurer's office and voted to call for bids for a new electric typewriter for the mayor's office.

The fire hose low bid was from Fabric Co., Sandy Hook, Conn., with \$122 a foot for 1500 feet of 2½-inch hose and 88 cents a foot for 500 feet of 1½-inch hose.

The S&S Floorcovering Co. was awarded the contract to install the floor tile at a cost of \$389. Economy Linoleum bid \$885. Only one bid was received for the venetian blinds — \$84 by the Foley Co.

Placed on file was a proposal by Unlimited Outdoor Services to place 21 to 30 trash receptacles in the downtown business district to display advertising signs.

## Council Pays Two Claims For Sidewalk Injuries

Granite City council members voted payment of two injury claims resulting from falls on city property and referred a third claim to City Atty. Scroggins.

Scroggins had recommended payment of a \$32 medical bill to Mrs. Mamie Postawko, 1400 Washington avenue, who injured her right knee June 20 in a sidewalk fall on 20th street near Madison avenue and payment of \$87 medical expenses to Mrs. Charles Wade of 28 Del Rio drive, who was hurt July 13 in a fall in a weed hidden hole near a mailbox at Del Rio and Riviera drives when she was mailing a letter.

Referred to Scroggins was a \$404 medical bill submitted by Mrs. Grace Wetherhold, 77, of 2563 Benton street, who was injured last June at a raised sidewalk in the 2400 Block of Grand avenue. Her medical expenses included cost of 28 x-rays and treatment for dislocated discs in her spine, multiple bruises and three cuts to her forehead.

Placed on file was a letter from A. H. Seebald Co. disclaiming any responsibility for replacement of an auto tire damaged at a sewer break repair site at Amos and Franklin avenues. The firm noted the tire was damaged Aug. 22, and

it had completed the job and cleaned the site on July 21.

Permission was given to the Granite City Optimist Club to conduct its annual sale of Christmas trees on the city owned property in the 2000 block of Madison avenue Dec. 1-24. This year's club chairman is Arthur D. Roseman.

Permission was given to the Granite City high school Student Council to stage a homecoming parade Tuesday afternoon and the Republican Women's Service League to sell tickets for an Oct. 15 mock trial in the business district and at shopping centers on Friday and Saturday.

Approved by the council was a resolution to support Cong. Melvin Price in his effort to arrange for flood damage insurance in this area and other areas.

Placed on file was a notice from the Illinois Commerce Commission that the city has been given permission, along with Belleville, to intervene at the hearing to be conducted on a request by East St. Louis & Interurban Water Co. on a 47% water rate increase.

Council members confirmed reappointments to the Police Pension board for Carl Graham and Henry Lueders.

## Radiological Training Offered by County CD

A radiological monitoring course will be conducted at the Madison County Civil Defense Training Center, 333 South Main street, Edwardsville, it was announced this week by Ted Todoroff, of Granite City, county CD director.

The initial session is planned for 7:30 p.m. Thursday, Oct. 16, with registrations for the course accepted the evening of the first class, Todoroff said. Those taking the instruction must be over 18 years old and have completed a minimum of high school mathematics.

The training offered will enable the individual to utilize instruments for detection of radiation, the county CD official explained. Instruction is offered without cost and classes are open to all Madison county residents.

## GSI Car Plant to Build \$37 Million In Commuter Cars

The St. Louis Car Co. division of General Steel Industries is to begin immediate construction of 123 double-deck, air-conditioned, electric commuter trains under a contract totaling \$37,797,372, it was announced Tuesday.

Company officials announced that production of castings for the undercarriages of the new cars will be handled in the local Commonwealth plant of General Steel Industries.

The purchase agreements were completed by Richard W. Austin, chairman of the Chicago South Suburban Mass Transit District, and Delancey J. Davis, vice-president of General Steel Industries and president of the St. Louis Car division of the company.

GSI officials said the contracts have been approved by the Urban Mass Transportation Administration of the U. S. Department of Transportation which will fund about \$25.2 million. The remaining \$12.6 million will be provided by the Illinois Central Railroad which will operate and maintain the new cars.

The transit district also was provided an option from General Steel Industries to buy seven additional cars at \$296,564 each, subject to approval of the UMTA. Delivery of the cars is scheduled to begin in 14th months from the St. Louis plant.

## Son Born to Mr. and Mrs. Dale Pashea

Mr. and Mrs. Dale Pashea of Miami, Fla., are announcing the birth Oct. 2, of their first child, a son. The baby weighed eight pounds, three ounces and has been named Brian Douglas.

Mrs. Pashea is the former Carole Stucke, a daughter of Mr. and Mrs. Donald Stucke, 1613 Clark avenue. The paternal grandparents are Mr. and Mrs. O. M. Pashea, 2915 Sheridan avenue. The father is working toward a master degree at the University of Miami.

## Auto Hit from Behind

The right rear of an auto driven by William Lamb, 3100 Wilson avenue, who was stopped for traffic, was struck from behind by a car driven by Paula F. Gough, 3065 Wayne avenue, Monday at 3000 Madison avenue.

#### 4 Local Graduates In Class for Nurses

Four Quad-Cityans are among the 55 students who will graduate on Oct. 17 from East St. Louis School of Practical Nursing, the largest class in the history of the school.

They are Louise Bailey of 613 West Third street, Madison; Freemita Dew of 1014 Calhoun street and Shirley Collier of 1119 Calhoun street, both of Venice, and Mildred Cumbee of 3006 Kirkpatrick Homes in Granite City.

Congressman Melvin Price will be the guest speaker at the graduation ceremonies to be held in the auditorium of the East St. Louis senior high school.

#### McCambridge Ave. Mishap

Cars driven by James Parsons, 2023 Sixth street, Madison, and Harry Stephens Jr., 4001 Kirkpatrick Homes, were damaged in a collision at Fifth street and McCambridge avenue on Monday night at 4:45 p.m. Monday. Police reported both cars were northbound and that the Parsons car skidded on wet pavement and struck the rear of the Stephens auto.

## City Facing Desperate Revenue Squeeze

Granite City is facing a desperate revenue squeeze today with its available reserve funds at their lowest ebb in many years and deficits appearing in at least three general fund accounts.

On the basis of a report presented city council members Monday night by Comptroller Robert Stevens, the city had only \$139,209 in available transferable funds as of Aug. 31 and slim balances in virtually every general fund account, although the city had operated only four months of its current fiscal year at the time the report was prepared.

Since further city spending for the month of September has not yet been reported by the comptroller's office, the next comptroller's report is certain to show further depletion in all general fund accounts.

#### General Fund Deficits

Deficits had developed as of Aug. 31 in the account for sewer maintenance, amounting to \$406,311; for school crossing guards, amounting to \$282, and for the city audit, amounting to \$175. A breather was provided Oct. 3 when the city did receive its final local tax settlement of \$797,092 from Treasurer E. R. Rich.

But the current report shows the city during this current fiscal year has spent a total of \$288,181 out of its sewer maintenance fund, as of Aug. 31 date. In Monday night's meeting the council approved an additional \$136,000 in bills for sewer break repairs not reflected in the report. Of the total revenue in the sewer maintenance fund \$270,000 has been in transfers from other funds.

Regular general fund accounts showed balances of only \$33,694 in the police department account, \$21,612 in the fire department account and only \$36,588 in the sanitation department account, as of Aug. 31.

The city customarily depends upon reserve funds in its general fund transferable accounts to bolster dwindling balances of the regular departmental accounts.

#### Balances Are Low

Stevens report showed Monday, however, that as of Aug. 31, the city's tax commissions fund had a balance of only \$8001. The parking meter fund had a balance of only \$11,729 and the sales tax fund had a balance of only \$44,635. The working cash fund showed a balance of only \$76,329 from which the city could borrow to

aid general fund accounts. Only \$50,000 remained at that time in the temporary fund.

These balances provided a total of only \$139,209 as a reserve from which the city could pick up funds necessary to offset the deficits developing in the regular general fund accounts, particularly the sewer maintenance costs which have been responsible for much of the city's financial distress.

According to the report, the five general reserve funds began the fiscal year with total balances of \$374,363. Additional receipts during the four months of May through August amounted to \$261,775, bringing total available reserve funds to \$636,138.

Of that amount, however, \$70,879 was spent for operating costs, while \$25,800 was transferred to regular general fund accounts. This represents a transfer of more than \$100,000 a month to aid in meeting operating costs of other general fund accounts.

## \$287,695 GC Disbursements; \$138,010 for Sewer Repairs

Disbursements totaling \$287,695, including sewer break repairs amounting to \$138,010, were approved Monday night by Granite City council members.

The disbursements included a bill amounting to \$229,257, a half-month payroll totaling \$37,563 and employee sick leave for the last half of September amounting to \$25.

The two-week accumulation of bills, in addition to the sewer repair and maintenance fund, included \$25,991 paid to MacLair Asphalt Co. for resurfacing sections of Washington and Grand avenues and a block of Benton street; \$23,628 to G. H. Sternberg & Co. for motor fuel tax street work; \$920 paid to Francis Sherle Co. for sidewalk replacement; and \$3086 to pay injury claims against the city.

The city's power bill for street and alley lights totaled \$4947 for September, while the payment for September rental on 407 fire hydrants amounted to \$1682.

Other of the large payments were \$1881 for employee retirement and social security, and \$6484 for arterial street maintenance and materials.

Sewer break payments totaling \$136,782 were made to A.

of operation, the report shows, the city spent a total of \$1,043,211 out of the general fund. These expenditures included \$288,181 in sewer maintenance costs, \$115,106 for the first quarter of the fiscal year, \$87,429 for the street department, \$124,209 for the police department, and \$71,073 for the sanitation department.

Stevens report shows that at the beginning of the fiscal year May 1, the city had combined general fund balances of \$159,841. Revenue during the four-month period from May 1 to the end of August amounted to \$261,775, bringing total available reserve funds to \$636,138.

In addition, the \$245,950 transferred from the general reserve funds went into these accounts to provide total available revenue of \$1,488,725 in all 32 general fund accounts.

The overall expenditures of \$1,043,211 against this total as of Aug. 31, left a combined general fund balance of \$405,514 as of the end of August. Of this amount, \$86,254 is in the bond and sinking fund accounts and will be used only for that purpose.

H. Seebold Co. Included was \$48,940 for the Terrace lane repairs, \$35,329 for the Fehling road work, \$26,620 for installation of wells to dewater the Fehling road project, \$1432 for repairs at St. Clair avenue, \$3813 for repairs at the Nannette school parking lot, \$1263 for work in the 2500 block of Lynch avenue.

Charges for electrical services at eight sewer break locations amounted to \$3879; fencing at Amos avenue, \$82; equipment rental \$245; and other repair cost bills of \$325 on Faith avenue between Virelle and Buxton avenue, \$308 at 3100 East 23rd street and \$480 at 2341 Fehling road.

In addition, the city paid \$14,354 to American Pipe Services for emergency sewer cleaning and lift station work and for television inspection of the lines at Lynch avenue, St. Clair avenue, Amos avenue and Fehling road.

The city's sewer repair bills cover, in several instances, work carried out in July and August as well as September.

A monthly financial report submitted to the council Monday night by Comptroller Stevens shows the sewer maintenance fund had a deficit of \$4056 on Aug. 31.

## Ferocity of 'Camille' Told by ARC Director

"Disaster's Daughter, Camille" was discussed by Edward Craen of St. Louis, the regency director of fund-raising for the Red Cross, during the luncheon meeting of the Granite City Rotary Club at the YMCA.

The speaker stated that with 300-foot tides and 210 mph winds, Pass Christian was hit with incredible force causing damage, destruction and panic among the inhabitants there and in other coastal towns.

Craen spent a week with other Red Cross officials and volunteers amidst the wreckage caused by the hurricane, trying to assist the homeless in supplying food, clothing, shelter and medical attention until suitable homes could be found.

He noted volunteers from the Salvation Army, Red Cross, the federal government, Civil Defense, civil church groups and back packs joined together to aid the victims who also were without electricity, drinkable water and communications.

Statistics in testimony of the hurricane's fury show 128 known dead, 76 persons missing and 400,000 homeless. The Gulf coast area with a total of 66,200 families involved.

Nearly 45,000 homes were destroyed or damaged, including mobile homes in the Mississippi and Louisiana areas.

After striking severely the southern most states, Camille's path turned eastward to Virginia and West Virginia, dumping torrential rains and causing excessive flooding and damage for over 300 families. The number of persons listed as dead were 73, with 100 missing and 113 injured.

As a result of the hurricane damage, the American National Red Cross has issued an urgent appeal for \$15 million to help meet the needs of the victims.

Rotary President Carl Mathias presided at the meeting and spoke briefly on the results of the recent United Fun Fair. Eugene Cole announced the planned child luncheon will take place on Thursday, Nov. 6, at the YMCA. He called for volunteers to assist with the project.

## Episcopal Synod Votes To Support Minorities

The 92nd annual Synod of the Episcopal Church, held in the diocese voted to raise \$200,000 as a gift to the National Committee of Black Churches to be used for black community development and \$100,000 for Indian and Eskimo work it was announced during the sessions at Southern Illinois University-Southwestern.

Following heated debate, the Synod endorsed the action of its national general convention recognizing the Black Economic Development Conference. Rt. Rev. Albert A. Chambers, Bishop of Springfield, said he was opposed to the ideology of the conference's Black Manifesto.

The synod approved the seating of women delegates for the first time in its history and eight women took their places along side 125 male delegates. It also approved an amendment to its constitution, to be ratified at the next Synod, reducing the minimum age of delegates from 21 to 18. Voting age in parish elections and minimum age for local vestries also was reduced to 18 years.

At meeting of the Episcopal Church Women also was held. Those attending the synod and ECM convention from St. Bartholomew parish here were Rev. Wilbur L. Lear, rector, Mr. and Mrs. William L. Harris, Mr. and Mrs. Garvin Butler Jr., Mrs. William Chepley, Mrs. James Sturdevant and Mrs. Albert Miller. A visitor was Rev. Canon David Nyberg, an Air Force chaplain and former rector of the local parish.

## GC Girl is Birth Defects Child for March of Dimes

Tammy Joyce Ruf, the 1970 Madison County Birth Defects Child, will attend the organizational and informational meeting of the 1970 March of Dimes fund-raising campaign at a dinner on Tuesday evening, Oct. 21, at the Roundtable restaurant, Collinsville, where she will have her picture taken with city officials.

Tammy is the only child of Mr. and Mrs. Norman Ruf of 2172 Lee avenue and was born on Sept. 22, 1963 at St. Elizabeth Hospital. She was born with a meningococcal (open spine) and hydrocephalus and was transferred from Granite City to St. Louis Children's Hospital when she was two days old.

She has a silver nitrate scar on her head when she was five days old and skin taken from her leg was laid on her back and treated with silver nitrate. Her back has not been closed as of now, and she has had surgery five times. Tammy now has braces but has not started therapy. She attends the Tin Tim nursery school.

Dean Bridwell, director of the 1970 March of Dimes Fund Raising campaign and the board of directors of the Madison County Chapter of the National Foundation March of Dimes, called the meeting for all local chairmen and staff workers. The dinner will be a kick-off meeting for the campaign which is traditionally conducted during the month of January.

The purpose of the meeting will be to outline procedures, display materials and inform the staff members of the general patterns of the National Foundation. All local workers

## Harvesting Progresses

Farmers made rapid progress last week harvesting corn, soybeans, but less than half of the crops here are harvested.

Some farmers are ahead of others in harvesting, mainly because wet weather last spring delayed planting on many farms and resulted in crops maturing, but less than half of the crops have matured rapidly, the past few days.

Field losses of grain during harvest have been normal. Fields are causing problems in some fields and require slower operation of the combine through such fields. Second-generation corn borer is a problem in an occasional field. With heavy harvest losses due to corn borer can be kept to a minimum.

Virgil Heepke of Fort Russell township asked how to check the amount of corn lost during harvesting. You can check shell loss by using a bucket building a 40- by 40-inch frame. Then lay the frame across harvested areas and get average counts. The row spacing doesn't matter. Twenty kernels per frame equals one bushel loss per acre.

To estimate ear corn losses, measure off 131 linear feet for row for 40-inch rows, 138 feet for 38-inch rows, 145 feet for 36-inch rows or 175 feet for 30-inch rows. Pick up all ears left after harvesting. Each good-sized ear of corn you find in the specified length of row means a bushel loss per acre.

Any corn harvesting loss of more than five percent of the yield is considered excessive. Check the amount of loss and the quality of harvested grain. Make adjustments if excessive losses or grain damage appears.

An opening flag ceremony was conducted and the Brownies received the pledge and promise and sang the smile song. Mrs. Kidman read a story on Fire Prevention Week and a discussion was held on "Who Started That Fire?"

The members will take a trip to St. Louis county to tour the Ralston testing farm Nov. 1. Teams of six worked on a seed plaque of the U. S. and held a coloring session in alternating shifts.

The meeting was adjourned with the scoutmaster prayer by Pamela Constance, Debbie Handlon, Laurie Holloway, Carol Ann Kidman, Ellen King, Janet Nunes, Christy Peach, Lisa Picquard, Kim Ragan, Robin Salts, and Sharon Werner and Jackie Morris.

## HIKE BY TROOP 899

Brownie Troop 899 of the Webster PTA assembled at the school Tuesday afternoon with the leaders, Mrs. Alma Bunte and Mrs. Wanda Keelin, for roll call and Brownie gold before hiking to Wilson Park for an outing.

The scouts hiked to the park and back, enjoying a songfest enroute. They played games, including "Sisters" and "Animal Barnyard."

Making the hike were Susan Bunte, Carol Ann Kidman, Rebecca Clay, Julie Grider, Rebecca Grimes, Colleen Jackson, Melissa Keelin, Sandy LeMaster, Cindy Parsons, Robin Pilch, Susan Prokopick, Robyn Starks, Lori Taylor and a guest, Cindy Bunte.

The Brownies will celebrate the troop birthday at a party next week and several girls will receive membership stars and World Association pins.

## GIRL SCOUT ELECTION

Patrols names, leaders and assistants were chosen by Junior Girl Scout Troop 330 at Wednesday's election. Monday afternoon the meeting was presided over by the leader, Mrs. Mary Fryntko, assisted by Mrs. Quennele Ellett and Jack Law.

Robin Stanton and Linda Thompson led a flag ceremony as the scouts repeated the pledge of allegiance and promise and sang a patriotic song. The troop discussed a change in the meeting day from Monday to Friday, beginning next week to hours will be 3 to 4:30 p.m.

Plans were made for a cook-out at Wilson Park tomorrow. Patrols and officers selected were: DDA, patrol, Susan Chubb, leader, and Julie Daniel, assistant; Debbie's D-bees, Debbie Elmore and Lisa Curtis; and Flying Girl Scouts, Elizabeth Eck and Karen Lawrence.

A song festival preceded refreshments of cookies and soft drinks. A friendship circle and "Taps" concluded the session. In attendance were Anastasia Ellett, Madeline Fryntko, Joan Kaus, Kathy Lawson, Becky McCommis, Linda Marcos, Kathy and Lori Stacy, Debbie Ficker, Kathy Gorrell, Donna Lathrop, J. A. Mateosian, Brenda Rutledge, Renee Sharp, Cathie Shemona and a guest, Michael Fryntko.

## BROWNIES PLAN TOUR

A three-month schedule of tours, activities and events was planned at a weekly meeting of Brownie Troop 62, sponsored by Marshall PTA, under the leadership of Mrs. Skippy Kidman, 2616 Faith avenue, and Mrs. Faye Wentz in the Kidman home Tuesday.

The members will take a trip to St. Louis county to tour the Ralston testing farm Nov. 1. Teams of six worked on a seed plaque of the U. S. and held a coloring session in alternating shifts.

The meeting was adjourned with the scoutmaster prayer by Pamela Constance, Debbie Handlon, Laurie Holloway, Carol Ann Kidman, Ellen King, Janet Nunes, Christy Peach, Lisa Picquard, Kim Ragan, Robin Salts, and Sharon Werner and Jackie Morris.

## GAY TWENTIES CLUB HALLOWEEN PARTY

A Halloween party was held Monday evening for members of the Gay Twenties Social club in the home of Mrs. LaVerne Wimberly, 4512 Walter avenue. The birthday of Mrs. Kathy Scholero was observed and she received a gift from her secret pal.

The club discussed a recent gathering at the Wimberly home to fill dirty bags for the Red Cross servicemen's project. Although the membership at present is only seven, the club completed and filled 100 bags with such articles as canned sausages, toothbrushes, combs, playing cards and signed Christmas cards.

The president, Mrs. Dianne Hill, expressed appreciation to all the members and Mrs. Betty Pike, who made all the bags although not a member. Table appointments were in keeping with the holiday theme, with orange and black crepe streamers and Jack-o-lantern centerpiece. The hostess strung apples from an arch doorway for bobbing games and Mrs. Dana Harper was the prize winner. During a social hour, prize winners were Mrs. Mrs. Scholero and Mrs. Jane Scaggs and Mrs. Judy Ralston.

A salad course and a tidbit luncheon were served to those mentioned and Mrs. Carol Lippe and guest, Mrs. Pike.

## WEBSTER PTA OCT. 13, SPOOK EVENT OCT. 24

The executive board of the Webster Parent-Teachers Association met Tuesday evening at the school Monday evening. The president, Mrs. Annette Scrum, presided, and plans were made for the general PTA meeting Oct. 13 at 7:15 p.m. in the gymnasium.

Reports were given by Mrs. Mae Lee and Mrs. Alma Bunte, U. S. savings stamp chairman, and Mrs. Eva Arbogast on the "chooping hand" protection program. Principal Clyde Lee spoke on American Education Week in November.

Mrs. Scrum informed the board of a fall district conference held in Alton, Mrs. Ann Meyers was introduced as cheer committee chairman.

The president gave a report on purchases for the Oct. 24 "Spook Carnival." The annual event will feature eight booths, a dance and a fish fry under the direction of Mrs. Barbara Blackburn and Eugene Miller. Advance tickets for the fry will be sold by fifth and sixth grade students.

Booths and their chairmen are as follows: goblin door, a bake sale, Mrs. Doris Stotz, and homemade candy, Mrs. Carmen Grider; Mrs. Mystic mystery package, Mrs. Alma Bunte; Madam speaks "bootique," Mrs. Jo Ross; Mrs. Spook, Mrs. Eva Arbogast; black cat walk, Mrs. Mae Lee; Casper's country cupboard, Mrs. Allene Moore; pumpkin pitch, Mrs. Carolyn Sykes; and the wheel's pot and novelties, Mrs. Jackie Watkins.

## Tech School Official

At CYS Office Friday

A representative of the Bailey Technical School, St. Louis, will be available one day each month in Granite City to discuss curriculum requirements and programs offered by the private technical-vocational school with young men from the Quad-City area.

Between 9 a.m. and 5 p.m. tomorrow, George H. Sheets, a Bailey field representative, will be at the Coordinated Youth Services office, 1235 Neldridge avenue, for consultations with interested youths, men or parents. An appointment for an interview can be made in advance with Mrs. Lillian Douglas of the CYS staff at 876-2386.

Dates of ensuing interview sessions have not yet been decided. C. A. MacMillan, CYS executive director, advised, noting that the November date will depend on the number of requests received for consultations.

He pointed out that several area youths recently have sought transportation to the St. Louis technical school to inquire about enrollment.

The number of trips became time-consuming for the local CYS's small staff and school administrators agreed to assign a representative here on a once-a-month basis to answer questions and advise prospective enrollees.

Principal courses offered include automotive-diesel technology, taught in a 100-hour daytime program and 1134-hour special evening class; and a 100-hour engineer drafting course.

**MISSION FESTIVAL DAY**  
AT METHODIST CHURCH  
The Dewey Avenue Methodist Church enjoyed a mission festival on Sunday.

Miss Hester Easley, a missionary to Mexico, was guest speaker for the day. She spoke at the regular morning worship, and at 4 p.m. conducted a children's hour.

Miss Cynthia Ambury aided her in a playlet spoken in Spanish, they were attired in native Mexican dress.

Miss Easley led the children in songs in Spanish. She explained many curios to the children and told them an illustrated story.

Miss Easley also played several songs on an accordion for the children. Several children who had visited Mexico during the summer were dressed in Mexican costumes.

A luncheon followed at 5:30. A Mexican meal was served along with American food. Mrs. Jenny Alvarado and Mrs. Martinez prepared the Mexican dishes.

About 120 adults and children attended. At 7 p.m., Miss Easley conducted a mission hour, showing slides and explaining her work among the people of Saltillo, Mexico. She had several items from Mexico on display.

While staying in Granite City, Miss Easley was at the home of Rev. and Mrs. John H. Ambury, 2138 Dewey avenue; he is pastor of the Dewey Avenue Church.

Applicants for the engineering drafting program must be high school graduates or be able to qualify under the provisions of the General Education Development Testing Program. There is no age limit to complete a qualification course, which opened in 1936.

# Daughter Arrives for Mr. and Mrs. Peter Ford

Mr. and Mrs. Peter W. Ford of Atlantic Highlands, N. J., are announcing the birth of their fifth child Sunday, Oct. 5. The new arrival, a girl, has been named Kathryn Barclay Ford and weighed six pounds, nine ounces.

Mrs. Ford is the former Rae Barclay a daughter of Mr. and Mrs. Frank B. Barclay of Granite City. The paternal grandparents are Mr. William K. Ford of Rockford, Ill. The Ford family recently moved from Chicago to New Jersey.

# Auto-Truck Collision

A tractor trailer driven by Charlie Walton, 513 Slough road, Venice, and a car driven by Derb Lowery, 1120 Calhoun street, Venice, were damaged in a collision at Fifth street and Madison avenue about 3:45 p.m. Tuesday, police reported. Walton was northbound on Madison avenue and Lowery was turning from Fifth street into Madison when the collision occurred, officers said. Walton's trailer was damaged in the rear and Lowery's car on the right side.

# \$25 a Plate

# Demos 'Champagne Dinner' To Benefit Campaign Fund

Quad-City and Madison county Democrats who already are discussing with interest next year's primary election will drink champagne and eat a banquet dinner at \$25 a plate Sunday night at the party's fourth annual "JFK Campaign Dinner" in Venice.

The affair—strictly social with no speakers scheduled—will be held in the American Legion Post 307 hall and will get under way at 4:30 p.m. with a cocktail hour that really will last two hours.

Dinner will be served at 6:30 p.m. followed by dancing and entertainment. Walter T. "Buck" Simmons of Venice, chairman of the Madison County Democratic Central Committee, said that at least 400 persons are expected to attend. The annual banquet, a dance which is given the "JFK" title in honor of the late president, is a fund-raising program from which all proceeds go into the treasury for promoting the

campaigns of Democratic candidates in party elections.

Expect Early Campaign Campaign activity in both Democratic and Republican circles is certain to get under way unusually early for the approaching 1970 elections because of the three-month advance in the primary election date under legislation approved by the General Assembly this summer and approved recently by Gov. Ogilvie.

As a result of that legislation, next year's primary election will be held on the third Tuesday in March instead of in June as would have been the case if the old law had not been changed. Prior to 1968, state primary elections were held in April of even-numbered years.

Last month's appointment by Gov. Ogilvie of State Rep. Ralph T. Smith, Alton Republican,

as U. S. Senator to succeed the late Everett M. Dirksen also has stirred early interest in the late year's primary election since Smith will have to win election next year to serve out the remaining four years of the Dirksen term.

This makes the U. S. Senator post subject to both the primary election in March and the general election in November 1970. State Treasurer Adlai Stevenson III already has been boomed as a top runner for the primary nomination on the Democratic ticket, with Senator Smith already having pledged himself as a Republican candidate when he accepted the appointment by the governor.

To Advance Filing Date The new March primary election date is expected to advance the filing period for 1970 primary candidates into the month

of December and therefore move up by several months the entire calendar of political activity. In the past, when primary elections were held in June, political interest seldom developed to much extent until after the Christmas holidays.

Meanwhile, Republican committeemen of the 20th congressional district are probably the first to meet and vote candidate endorsements for next year's elections. Meeting recently in Jacksonville, county chairmen from Jersey, Greene and Calhoun counties adopted a resolution endorsing Senator Smith; Ray Page for superintendent of public instruction, Edmond Kucharski for state treasurer, Paul Findley for Congress and Don Adams for State Central Committeeman.

# Sp4 Walter Singleton Leaves for Vietnam

Sp4 Walter Singleton left by plane last week for Ft. Lewis, Wash., after a 30-day leave. He then departed from Ft. Lewis for Vietnam.

Singleton, who spent the past 18 months in Germany, is a son of Mr. and Mrs. Vernon Singleton of Collinsville, formerly of this city. His grandparents are Mrs. Ola Singleton of Madison, and Mr. and Mrs. Larry DiMarco of Granite City.

# City Motorcycle Struck

The right rear of a city motorcycle operated by Patrolman Raymond Ridge was struck by an auto driven by Ernest A. Brown, 2546 Hemlock avenue, who was pulling away from the curb Monday afternoon at 21st street and Edison avenue. Brown was charged with making an improper start from a parked position.

# Baha'i Lecturer to be In Area this Weekend

Mrs. Richard L. West, chairman of the Madison County Proclamation committee for the Baha'i Faith, announced today that Winston G. Evans, a noted Baha'i lecturer, will be the guest speaker at a series of talks.

Dates set for the series are today at Monticello College, Hawthay Hall at 8 p.m.; Friday at SIU-SW in the University Center at 8 p.m.; Saturday at the Union Savings and Loan, 101 West Main, Collinsville at 8 p.m. and Sunday at the Granite City Travelodge at 3 p.m.

Libraries in the Quad-City area have been presented with several books on the Baha'i Faith by the Madison county group.

# Vandals Break Windows In Madison Buildings

Vandals broke plate glass windows at two Madison avenue business firms on Madison avenue early Tuesday morning, according to police reports. Officers said they found a large window broken at the Markly Plumbing & Heating Co. building, 1007 Madison avenue, about 4:40 a.m. and that it appeared the window had been kicked in.

An hour earlier police had discovered two large windows, each six by six feet, broken at the Madison Auto Parts building, 1020 Madison avenue.

## An Open Letter To the General Public (Warning)

### "YOU MAY BE BREAKING THE LAW"

Persistent reports have been reaching us that a number of innocent people are literally being "used" by the "FAST BUCK" boys and other unscrupulous real estate operators, to help them "BREAK THE LAW" of the State of Illinois. Laws governing the "PRACTICE OF REAL ESTATE."

These good people are being asked, or bribed to act, as agents for the solicitation of the Real Estate Business from other members of the general public. They are promised big rewards such as Cash, Gifts, Prizes and in one case a "FREE TRIP TO FLORIDA." These unlawful, unlicensed agents are called (as one report states), Spotters, Bird Dogs, Tipsters and just plain "SUCKERS."

("WARNING," don't be a "SUCKER.") Any unlicensed member of the general public, who accepts any form of remuneration from a licensed real estate operator (for the sale or trade of real estate), is aiding and abetting said operator to be in strict violation of the Real Estate License Laws. Such agents may be subpoenaed as a witness before a Court of Inquiry or Special Agents Investigation, Department of Registration & Education, Springfield, Illinois. Final result - humiliation, embarrassment for the unlicensed agent, possible Revocation of the Real Estate License (and out of business for the real estate operator).

As in any profession there are those who labor long and hard to keep their business clean and honest, and there are those who will stoop to any level to make a "FAST DOLLAR" at the expense of the public.

There is no question that doing business with a "REALTOR" is always the safest policy. A trusted name for more than 50 years.

We guarantee you happiness and peace of mind for 30 days or 1000 miles. Whichever comes first.

You get this guarantee only if you buy a used car with our little sign showing in the window. Like the one shown above. That's our 100% guarantee. It simply states that for 30 days or 1000 miles (whichever comes first) if anything pops out that the guarantee said wouldn't pop out, we'll fix it free, including replacement parts and labor. So now you know how to look for a good used car. And something just as important. How to stay calm while doing it.

## Scottish Rite Cathedral Drive To Start Monday

Ray L. Wilimzig Jr. of Granite City, the Area Two associate chairman and Theophil Ehret of Belleville, Area One chairman, will join together to preside at the initial meeting of the building fund campaign for the new Scottish Rite Cathedral, Valley of Southern Illinois.

The advance gifts committee kick-off dinner meeting for Area One, assigned to St. Clair County, and Area Two, consisting of Bond, Calhoun, Greene, Jersey, Macoupin, Madison, and Montgomery counties, is scheduled for next Monday at the Flaming Pit restaurant in Edwardsville at 7 p.m.

Other local residents who are participating in the \$1,000,000 fund-raising campaign are William J. Mehl of Granite City as division leader and E. Gene Ross of Granite City who will serve as one of the 16 enlisted section leaders.

Robert B. Perkins, Belleville, is the general chairman. Construction is expected to be completed in the spring of 1971.

Plans call for the Scottish Rite new cathedral to contain a 1200 seat auditorium and a 1200 seat dining room with office space, meeting rooms, and parking facilities for 400 cars. The building site is located at North 57th street and Highway 161 in Belleville.

## Maryville Rd. Pipeline To Remain--For Awhile

A motion for the sewage pipeline across four-lane Maryville road to be placed under the roadway was made during Monday night's Granite City council session and then was withdrawn.

Alderman Dawes pointed out the street will be cut anyway to repair the sewer under the street, and that "too many thoroughfares blocked off now, something should be done to open one street so people can get in and out of town."

He asked for the street department to do the job, but then changed for a contractor to be called in, when it was pointed out the city does not have a concrete saw. The pipeline is used to pump sewage around a Lynch avenue sewer break.

Street Supt. Warfield said the street is due to be torn up soon to repair the sewer break

"and then it will be blocked off anyway. The people out there say that if they can put up with the pipe in their yards, then the motorists should be able to go around."

With the possibility of the sewer repair project starting shortly, Dawes withdrew his motion, although Alderman Boker said it might be 60 to 90 days before the repair work could be started. The council is to decide in the next two weeks on availability of funds.

Alderman Basarich, chairman of the Sewage Treatment Plant committee, said his group met at the plant over the weekend to begin outlining a program for sanitary and storm water sewer cleaning work on a regular schedule, as recommended two weeks ago by an engineering firm. New equipment will be needed as well as added manpower.

## Daughter Arrives for Airmen and Mrs. Haynes

## Kiwanis Hear Talk By Park Supt. Brown

Granite City park district activities and properties acquired by the park board throughout the year was the subject of a talk given by Harold Brown, superintendent of parks and recreation, at the weekly dinner meeting of the Kiwanis Club, Monday at the Rose Bowl.

Brown outlined the year-round activities for park district residents, available for all ages, stressing that the winter program now is in progress.

The Kiwanis Club agreed to sponsor a phase of the current programs as their participation in civic affairs.

Ed Moore, club president, reminded members of the "peanut sale" set for Oct. 17-18. Proceeds will be used for youth programs. Moore also said all new committee chairman and committees will be announced at next Monday's meeting.
